Frequently asked questions

Can I create my ad online even if some of the photos I want to use are paper photos instead of digital? Yes, you can create your ad online and submit the digital photos through the website. Then, choose to mail the paper photos to the address indicated on the Photo Mailing Form that you will be prompted to print off after your online ad purchase. Mailed photos should be no larger than 8x10 and cannot be submitted on CD or other storage media.

Should I send in original photographs? We will make every effort to return all photos sent in; however, we don't recommend sending your only copy of a priceless family photo.

How are ad prices determined and what is the money used for? Ad prices are determined by the cost of the ad to the school. The small amount of revenue from the ads helps us support our yearbook and keep it affordable for everyone.

How is the ad deadline determined? The ad deadline is set by our school based on the production schedule for the yearbook.

What should I say in my ad? The most effective ads reflect a balance between words and pictures. Ad text can consist of personal messages, inspiring quotes, and/or passages from poetry. If you would like to see samples of the messages used in other ads, visit our website: JostensAdService.com.

Can I send my materials to the school? NO, please do not send your materials to our school. Our school has selected Jostens to assist with our ad program. Please send all materials to the address indicated on the order form and call our customer service number (800-358-0800) if you have any questions or need assistance in creating your ad.
