

EMERSON ELEMENTARY

A PUBLIC MONTESSORI SCHOOL

EQUITY CHARACTER EXCELLENCE TEAM JOY

Welcome back Emerson Families!

We are so excited about the upcoming school year! We have been hard at work updating and creating new ways to communicate with families to ensure a smooth transition into the 2019-2020 school year.

Mrs. Taylor and Mrs. Beckham have collaboratively worked this summer to bring the two teaching methods at our school together. This collaboration is aligned to our newly adopted vision for Emerson.

Emerson Mission

Emerson Elementary provides a holistic, Montessori education experience for all students. Students are empowered to take ownership of their learning and lead the way in peacemaking. As constructive members of their community, students are confident in who they are and who they will become. Each student is uniquely prepared to pursue big dreams and endless possibilities.

With our new vision we have landed on two priorities for the upcoming school year based on data, survey, feedback and observation. Our 1st priority is reading instruction. Our 2nd priority is empowering students to manage their own behavior. Throughout the school year we will offer ongoing parent and caregiver education classes to help support our families as they walk alongside us in this work.

We are committed to our students, our families, and our community. We are grateful that you trust us with your greatest possessions (your babies). We don't take this lightly, and we will continue to work hard and make everyday a great day of learning!

Attached is our upcoming schedule, supply lists by levels and uniform requirements.

Sincerely,

Mrs. Taylor
Mrs. Beckham

Emerson Elementary Phase-In

An Orientation for Montessori students

What is Phase-In?

Montessori Phase-In allows children who are new to the classroom to get an overview of how things work in the classroom, while the returning children receive reinforcement of the previous year's ground rules.

Why are we doing a Phase-In?

Phase-In sets the stage for a successful year of learning. New friends are able to become familiar with the classroom layout while returning friends will observe any classroom changes.

Phase-In also provides a gentler transition from time spent at home with family to time spent at school with less familiar teachers and friends.

What to expect at Phase-In?

While children are attending our one hour Phase-In in their classroom, parents and caregivers will have an opportunity to get to know each other, sign up for volunteer opportunities and ask questions.

When you arrive, please drop your child off at their classroom and head to the cafeteria for a parent orientation. Please plan to arrive on time so that we can spend as much time as possible preparing for a successful school year with the children.

Emerson Phase-In Schedule

Please attend based on your student's grade level for the 2019-2020 school year.

August 15th 4:15-5:30	All PreK and Kindergarten
August 19th 3:00-4:15	All 1st Grade and New 2nd and 3rd Grade Students
August 20th 3:00-4:15	All Returning 2nd and 3rd Graders

If you have any questions or concerns, please feel free to reach out to us! We look forward to the start of a new school year and hope to see each and everyone at Phase-In!
