By submitting this form, I confirm that the information provided on this form is accurate and complete and I agree to receive email communications, phone calls, and SMS/Text Messages from IYRS at the numbers provided above, including my wireless numbers if provided. Contact methods may include calls or texts made using automated technology. I understand that my consent is not a condition of purchasing services from the School, and that if I wish to request information without providing the above consent, I may request information by contacting the School directly at 401-848-5777.

BEYOND

ORDINARY

IYRS School of Technology & Trades

449 Thames Street | Newport, RI 02840 | 401-848-5777

IYRS provides experiential education, preparing students to enter a global maker and manufacturing workforce. IYRS teaches the art and science of making, building, restoring and maintaining, and in the process, helps its graduates build both careers and more meaningful lives – inspired by the knowledge that in their hands and through the use of technology, they have the power to make, build and maintain to a high standard.
