

Parking / Traffic Flow Guide

ZIS is a large school with almost 500 students. Please make sure you are only parking and entering the building during high-traffic times in the morning or afternoon if you have a conference, event, or activity during that time.

- ✔ There is no parking on Hudson Ave or East 36th Place.
- ✔ Please reserve the North Parking Lot for teachers and staff during morning drop-off time.
- ✔ Exercise care when parking in the neighborhood on East 36th Street north of ZIS - please do not block driveways or impede traffic.
- ✔ Do not park in the right lane (curbside) of the Front Circle Drive during morning drop off. There are 4 parking places on the left side of the Front Circle Drive available for use.
- ✔ Please do not park in the Front Circle Drive after 2:45 pm to allow buses to load.
- ✔ East Circle Drive (behind school) is only available for afternoon pick-up.
