

BUS CONDUCT

The Governing Board will provide bus transportation for students within the district in accordance with law. Such transportation will be extended as a privilege, however, only insofar as the individual student continually and habitually displays good conduct and behavior while preparing to ride, riding or after debarking from the bus.

Failure to comply with the rules and regulations for bus riders in the district shall be sufficient reason for a pupil to be denied transportation.

The Superintendent or designee shall establish regulations for bus riders in the district shall be sufficient reason for a pupil to be denied transportation.

The Superintendent or designee shall establish regulations related to bus conduct, bus driver authority, and the suspension of riding privileges. The Governing Board shall make these rules available to parents/guardians and students. (Code of Regulations, Title 5, Section 14103)

Transportation will be provided where necessary according to statute.

Video cameras may be used on school buses to monitor student behavior while traveling to and from school and school activities. The Board believes that such monitoring will deter misconduct and help to ensure the safety of students and staff. Students found to be in violation of the district’s bus conduct rules shall be subject to discipline in accordance with district policy and regulations.
