

FACILITIES DEVELOPMENT GOALS AND OBJECTIVES

The Board of Trustees supports the annual review and updating of department goals and objectives to assure relevancy and consistency with division and district-wide goals and objectives.

The Board of Trustees strives to provide the best educational environment for its students and staff by providing adequate school facilities when needed by maximizing and responsibly allocating all funding sources.

The Board of Trustees shall strive to:

1. Provide safe and educationally nurturing school facilities through collaboration with appropriate parties
2. Aggressively pursue all funding resources: local, state, and federal
3. Accomplish long- and short-term planning through teamwork
4. Provide excellent customer service through helping them accomplish their goals
5. Encourage a successful team through empowerment
6. Promote political and community awareness of facility issues.
