SASCard and Vehicle Pass

All SAS students are required to have an SASCard for identification purposes. The SASCard, however, is much more than just an ID card. In fact, it offers many conveniences to SAS students and their families including:

- Cashless purchases at campus food and beverage outlets
- Parent-Teacher Association sales purchases
- Booster Booth purchases
- Student store purchases
- Check out of materials from libraries
- Bus access for grades three and above
- Printing and copying on campus

NETS FLASHPAY FEATURES OF YOUR SASCARD

In addition to campus-based features, the SASCard can also serve as a NETS FlashPay card with a separate account that allows cardholders to use their SASCard off campus with NETS FlashPay merchants on the MRT, LRT, public buses, in many taxis, and at more than 85,000 acceptance points islandwide.

The NETS FlashPay account can be topped up at the DBS ATM machine in the high school atrium or at off-campus top up points such as 7-Eleven, Cheers, and bank ATMs. However, these NETS funds, unlike the SASCard funds, are stored directly on the SASCard. Therefore, if the SASCard is lost, the NETS money is also lost and cannot be recovered.

REGISTER AND TOP UP YOUR SASCARD

Once you receive your SASCard, you can add funds to your account and begin using your card on campus.

Create an Online SASCard Account

- Visit webcard.sas.edu.sg and complete the simple form.
  If you have already set up an SASCard account, you can log into your account using the same link. If you have multiple children at SAS, you may use this login and password to register each SASCard holder in your family. Simply complete an online form for each child, using the same login (email address) and password for each individual.

Customize Your Low Balance Email Reminder

- Once you have created and logged in to your SASCard account, you may click the Preferences link to the right of the card balance amount to customize the low-balance email reminder feature. From there, enter the email address at which you wish to receive low balance reminders.
- If you wish to change your low balance amount, you may customize it to your preference. All student accounts have an automatic default low balance amount of $20.

Important Points to Note

- If you have multiple accounts under a single login, you may customize a low-balance email reminder for each account individually.
- If you are using an iPad or another type of tablet to access your SASCard account, you must click on the Full Site link in order to log in, top up using a credit card, and update your preferences.

SASCARDS AND VEHICLE PASSES FOR PARENTS, FAMILY MEMBERS, AND HOUSEHOLD HELP

For security reasons, all parents, family members, and household help who plan to visit the SAS campus on a regular basis will need a SASCard. In addition, a vehicle pass will be required of all vehicles entering campus. You will receive an email from the SASCard Office notifying you when your SASCard and/or vehicle pass is ready. When your pass is ready, you may collect it from the Eagle Stop. If you have not yet completed an application for your SASCards and/or vehicle passes, you may visit https://www.sas.edu.sg/student-life/SASCard/SASCard-Campus-Access-Application to submit your application. Please note that applications submitted during Open House may take up to three weeks to process.

For more information, visit https://www.sas.edu.sg/student-life/sascard or contact the SASCard Office at sascard@sas.edu.sg or 6360 6075.

Bus Transportation

TRANSPORTATION

Guaranteed bus transportation is offered to all new and returning families who register with the bus office by the July 31 deadline. Registrations received after the deadline are subject to availability. Please see the New Family Portal for further information.

If you miss this deadline for any reason, please visit the bus office, which is located by central administration, to arrange service for your family. You will need to fill out a registration form found at https://bit.ly/2OevXHl.

You may return completed forms and fees to the bus office at the Eagle Stop any time leading up to Open House. We suggest making this an immediate priority as bus routes are being created at this time. You will need to bring the registration form, one passport-sized photograph, and funds for the bus fee to the bus office. Alternatively, you can work via email with the bus office to arrange service. Bussing details that comprises of riders bus number, pick-up / drop-off location and time will be made known to you through text message as well as email.

Schedule Your Open House Day

1 PARK OR TAKE THE COMPLIMENTARY MRT SHUTTLE BUS

Vehicular access will be from the front gate only. Parking will be available in front of the elementary school, in the elementary covered car park located behind the PTA office, basement car park at the high school, and along the middle and high school driveway.

Once campus parking is full, a "Car Park Full" sign will be displayed at the front gate. You will find additional parking at the HDB Car Park at Block 426A. If you park at the HDB car park you will need to use your Cashcard for payment. You may then access the school via the middle school pedestrian gate.

If you take the MRT on Open House day, SAS shuttle buses will pick you up at the station and bring you to campus. Pick-up at the Marsiling MRT Station taxi stand begins at 8:00 a.m. and continues every 20 minutes throughout the day. Shuttles from SAS back to Marsiling MRT Station will leave the central administration area every 20 minutes throughout the day, with the last shuttle departing SAS at 5:30 p.m.

2 TAKE CARE OF TECH

New Students in Seventh and Eighth Grades - Collect your Laptop at 12:00 p.m.

New students in seventh and eighth grade must attend a mini laptop bootcamp where they will be trained in connecting to the SAS network and other services, digital citizenship, and general processes and procedures relating to the laptop program. Students will leave this session with their school assigned laptop and will be prepared to use it on the first day of school.

Time: 12:00 p.m. – 1:45 p.m. (please arrive on time to begin at 12:30 p.m.)

Venue: Middle School Library

New Sixth Grade Students

New students in sixth grade will attend laptop bootcamp with all other sixth grade students during the first weeks of school. They will receive laptops during their designated laptop bootcamp.

New High School Students

All new students must bring their laptops and stop by the high school tech help center (H308) during open house or during the first two days of school so that they can get configured to the SAS wifi, set an SAS password, and set a Gmail password.

For information about high school technology, including purchasing information, go to http://www.sas.edu.sg/uploaded/documents/HS_Laptop_Info.pdf.

3 VISIT TEACHERS AND CLASSROOMS

We hope you enjoy meeting your children's teachers and visiting various classrooms, libraries, and other facilities. If you wish to discuss your child's individual needs with a teacher or counselor, we ask that you schedule a time to do so outside of Open House.
