Davis School District starting teacher salary in 2019-2020 =
 \$43,798 with proposed 7.65 % increase

How we spend our money

1 To stay competitive with surrounding districts we need to raise an additional \$7.6M from local property taxes to provide a competitive starting salary.

2 Impact on a \$338,000 home is \$58.61 a year or \$4.88 a month

3 Davis School District hasn't raised property taxes since 2011

4 Davis School District doesn't have the taxing capacity to match a \$50,000 starting salary.
