Initial/ Original Question:
My question began as _____

Source:
I got this question from:
Textbook / Worksheet / Packet page _____ Problem # _____
Quiz / Test _____ Lecture / Notes from _____ /1

Key academic vocabulary/definition associated with topic/question:

1. _____ = _____

2. _____ = _____ /2

What I Know about My Question:

1. _____

2. _____

KNOW

/2

VISUALIZE the information you KNOW with a chart or picture and LABEL each part of it!

SHOW

/3

STEP BY STEP - Explain your thinking process from beginning until when your Point of Confusion happened.

EXPLAIN

/2

Question from Point of Confusion: (Must be level 2 or 3)

/2

NAME _____

DATE _____

REFLECTION - AFTER THE TUTORIAL

My tutorial today was based on a class with a LOW grade: Yes No

I was a student presenter during the tutorial today: Yes No

I ASKED many higher-level questions and did not ANSWER them: Yes No

In the space below, elaborate on the following questions as you reflect on the tutorial process:

- *What Points of Confusion were discussed today? What did you learn about the content?*
- *Did the presenter give a solid 30-second speech? Why or why not?*
- *How were YOUR question skills today? Who asked the best questions? How were the tutor's questions?*
- *Because of today's tutorial session, what helped you most academically?*
- *On a scale of 1-10, how would you rate today's tutorial if it were viewed by the AVID Regional Director? Why?*
