

WWW Urban Bike Tour and Reflection

Purpose: To expose students to parts of Santiago they rarely or never see. Explore the “red de ciclovía” throughout Santiago including the park system. Planned service activity is also planned for Colegio Santa Margarita de Escocia. (details to be determined by Nido students in communication with the school during our planning days)

Group Size: 8 -15 students, maximum, 3 Teachers

Requirements of students: Have a mountain bike, helmet, bike lock and reflection vest., reusable water bottle, sun-tan lotion, bright, appropriate cycling clothing, Above basic bike skills (this is NOT a “learn how to bike” trip)

Cost: 150.000/student. This includes some transportation, 5 lunches, snacks, and a gift for the school of service.

Monday:

- **Morning:** Parque Bicentenario) with more practice, take bike path total distance from end to end along the river (still no road traffic)
- **Lunch** in Borde Rio Area
