Afternoon Car Rider Route: Starts at 2:05p.m.

Entering

Please be sure to follow the new flow of traffic. When you enter from 469 the incoming traffic lane will split into two lanes of traffic. As you come to the stop sign you will notice that the traffic will continue as two lanes going through the parking lot. If you are in lane one you will precede through the parking lot as noted on the map after stopping. If you are in lane 2 you will precede through the parking lot after stopping as noted on the map.

Once you get to the unloading zone of the line please stop completely when unloading the student. Teachers will be available to assist if needed. Please be sure to pull all the way up to the first spot to keep traffic flowing.

Exiting

As you exit out of the parking lot there will be one lane of traffic. Please proceed with caution when turning to exit out of the parking lot. As you get to the end of the lane, the traffic will split for you to exit north or south bound.
