

Santa Fe Trail PTA

Joining PTA is an important way to support the students, faculty, and community at Santa Fe Trail Elementary. The PTA helps make SFT a better place in many ways, because:

*** We show up:** PTA volunteers provide thousands of volunteer hours during back to school events, class parties, the variety show, book fairs, the carnival, and family fun nights... all events planned and staffed with PTA volunteers. There are volunteer opportunities for everyone-- whether you have 30 minutes or 30 hours. Volunteering for PTA events is a great way to meet other SFT families and spend time with your child(ren).

*** We raise money through two major fundraisers:** the Fun Run and our spring parent-led fundraiser. Funds raised provide classroom grants for teachers, fully fund ALL field trips, buy books and resources for the library, schedule and fund cultural arts assemblies, and so much more.

We want you to know that you're always welcome. Look for details about meetings and ways to get involved in our newsletter, SFT Trail Talk, published monthly.
