

The Marvelwood School is partnering with Brook Run Farm to offer horseback riding as an afternoon activity

The Lesson Program

Consists of lessons *five days* per week, Monday through Friday. The program is designed for the *beginner* to the most *advanced* rider in both English and Western disciplines with a focus on Hunter/Jumper, Reining and Horse Management. Students are also given the opportunity to show at local and “A” rated horse shows, as well as, participate in the Interscholastic Equestrian Association. Students can either bring their own horses or ride one of Brook Run Farm’s seasoned competition horses.

Riding Levels

Beginner: Students with little/minimal riding experience

Novice: Knowledge of walk, trot, canter and small jumps

Intermediate: Students that ride on a consistent basis with knowledge of proper horse care

Advanced: Students that have been riding consistently for years

Cost

\$2600 per student/per term, optional \$850 per horse/month for your own horse. Personal liability insurance is required.

Brook Run Farm is an all-weather facility with a 60x120 foot lit indoor riding arena with a viewing room and a 100x200 foot outdoor riding ring with horse show quality jumps. It is a safe environment for students to master the fundamentals of equestrian disciplines throughout the school year – fall, winter, and spring terms.
