

# Renaissance Academy of Arts, Sciences, and Social Justice

*Small School of Choice • California Gold Ribbon School*

## School Mission

We believe all students will be successful when they are properly led and properly supported. We will build up our students' hearts and minds with the knowledge, skills, and habits to achieve success in high school, college, and life and to change their communities for the better.

## Focus Areas

### Arts

Express truths and feelings through visual, musical, and theatrical arts

### Sciences

Build observation, experimentation, research, and critical thinking skills

### Social Justice

Develop conscientious minds around human rights, equity, and equality

## College Preparatory Education

Renaissance teachers are committed to equipping learners with the knowledge, skills, and habits they need to excel in high school, college, and life. By teaching through the lens of our core values, we shape the way that students think about and approach their work. We know that college-bound students need to be proficient with technology. Students have 1:1 access to laptops at school. Also, as a Verizon Innovative Learning School, all of our students will be provided with an iPad for the duration of their enrollment. We hold high expectations for student performance both in and out of the classroom, and Renaissance teachers challenge and support students to ensure they are working to the best of their ability so they can achieve their potential.

## Small School of Choice

When choosing to be a member of the Renaissance community students and families are choosing to work hard, to commit to a college-going path, and to build strong relationships with one another. We know that when students, parents, and teachers know one another and work together students are more successful. To enroll at Renaissance the first step is submitting an application. Enrollment is limited, so act quickly by contacting or visiting one of our schools.

**Renaissance Academy at Fischer ● 1720 Hopkins Drive ● San Jose CA 95122 ● (408) 928-1950**

*Principal: Doug Kleinhenz ● Administrative Assistant: Eduarda Brasil ● Community Liaison: Selena Garcia*
