\$100 off Transportation Fee for Family and Individual **full routes only that are paid In full by August 31st.

*10% off all other Transportation Fees that are Paid In Full within first month of start date.

All monthly transportation fees are prorated from August-May and will not vary when school is in session a partial month. Payments can be made online through your student's [Infinite Campus account](#) with a credit/debit card, or with cash or check at any ALA campus front office or by mail. A "Transportation Fee" will be added to your Infinite Campus account a week after your student(s) begin their first day of riding. You may opt to make either monthly payments throughout the year, or pay for the entire year in advance before August 31st to receive the special discount listed above with the pricing. Monthly payments are due by the 25th of each month.

All payments will be recorded per household under the oldest student's name in your Infinite Campus account. You will receive a payment reminder when fees are due, but it is your responsibility to pay your transportation fees each month, or to contact the Transportation Department if special arrangements need to be made. Delinquent monthly transportation fees will jeopardize your continued use of transportation during the school year. Unpaid balances at the end of school year will remain in your Infinite Campus account and will eliminate your eligibility for future transportation until paid in full.

If your transportation fees are not up to date, we reserve the right to remove your students from the route. Once your students have come off of the route and you pay your fee, your students will remain on the waitlist until they are next on the list and there is a spot that becomes available.
