

Dr. Sean Scott is entering his 20th year of service in Texas schools. He served as a US History and Government teacher and head baseball coach for the first four years of his career and then moved into administrative roles including positions as assistant principal, principal at the elementary, middle and high school levels, director, assistant superintendent, and associate superintendent.

Dr. Scott joined the MISD in July of 2011 as the founding Principal of Lake Ridge High School. During his time in MISD, Dr. Scott has been promoted first to Director of Business Services, Assistant Superintendent of Technology & Information Services, and Assistant Superintendent of Curriculum & Instruction. He is entering his second year as Associate Superintendent of Curriculum, Instruction, & Accountability.

Dr. Scott earned his Bachelor of Arts Degree, Master of Education, Master of Business Administration, and Doctorate of Education Leadership from Texas Christian University. He holds Texas State Board of Educator Certification in secondary history and secondary government. Dr. Scott also holds principal and superintendent certifications from SBEC.

In addition to his professional credentials, Dr. Scott is active in the MISD community. He is a member of the Mansfield Rotary Club Board, Mansfield Chamber of Commerce Legislative Committee, the Arlington-Mansfield Area YMCA Board of Directors, a Deacon at Pathway Cumberland Presbyterian Church, and a proud graduate of Leadership Mansfield Class #7, *'The Best Class'*.

Dr. Scott and his wife, Courtney, met at TCU and have been married for 18 years. Courtney holds a Bachelor of Arts in Advertising and Public Relations from TCU and is a Labeling & Packaging Manager in Regulatory at Galderma Laboratories. They are the proud parents of two daughters and one son. Emma is a seventh grader at the STEM Academy and Abigail a fourth grader at Tarver-Rendon Elementary. Emma loves to read, swim, and lead children's worship. Abby enjoys softball, basketball, and proving she is smarter than her Daddy. Jack turned four in January and will be attending the Sara K. Jandrucko Academy for Early Learners. He loves to ask why, read, count, play baseball and soccer, and proving he is as big as his sisters. Dr. Scott and his family reside in the Mansfield ISD.
