

Leadership Giving Circles

Benefits of Membership

The greatest benefit of becoming a Leadership Giving Circle member is knowing that you are investing not only a school, but a community that, for 45 years, has prepared young people to be engineers of their own fulfilling lives and the innovative, resilient, courageous, and collaborative leaders our world so greatly needs.

Other benefits include opportunities for interacting with an ever-expanding group of donors who are both thoughtful and bold in their giving; special invitations from the Head of School to events in the broader environment that are related to the education of children and adolescents; access to school updates not shared broadly; and recognition as a key investor in sustaining the legacy of this great school.
