Parents as Teachers Presents
The Digital Dilemma:

How Screen Time Affects Early Childhood Development

Parents will learn how to handle the challenges they encounter when raising children in the “digital age.”

Learn the following:

- Early brain development
- How young children learn best
- Displacement theory
- How screen time affects:
 - ❖ play skills
 - ❖ language development
 - ❖ social-emotional development
 - ❖ sleep patterns
- Strategies for establishing healthy screen time habits at home

Tuesday, January 14, 2020

From 6:30 – 8:30 pm

Center for Academic Achievement ● 8200 W. 71st Street ● OP, KS 66204 ●
Room 112A

- ✿ **Presenter:** Cari Ebert, MS, CCS-SLP, is a pediatric speech-language pathologist. Cari received her bachelor's degree from the University of Iowa and her master's degree from Southern Illinois University at Carbondale. Cari is a speech therapist, consultant, author, and a nationally recognized speaker. She works exclusively with children birth to age five.

Inclement Weather The Shawnee Mission Parents as Teachers program follows the Shawnee Mission School District guidelines for inclement weather. If school is cancelled due to poor weather conditions, all PAT personal visits and PTA events will be cancelled. Your Parent Educator will contact you regarding home visits to be re-scheduled. Please watch your local news for school closings.
