

Family Handbook Pledge of Support

August 2019

Dear Parents:

An important policy document related to your child's enrollment at Stratford Academy is the Family Handbook (formerly called the Student and Parent Handbook). This year's handbook may be accessed easily in your parent portal or under ACADEMICS on the homepage of our website. You may choose to view the document online or print it to read at your leisure. The handbook contains a table of contents which will help you easily navigate the information. The handbook will provide you with important information about the Stratford Honor Code, rules governing students' behavior and dress, academic policies and requirements, attendance policies, our technology code of conduct, an explanation of divisional procedures, and other general information.

Please take the time to read the handbook carefully and discuss it with your student(s). If there is a policy in the handbook that you do not understand, feel free to give us a call. We will be happy to answer questions and provide clarification.

If for some reason you are unable to access the handbook online, please contact the appropriate division head for assistance.

When you and your child have read the handbook, please read and sign the pledge of support below. Return the signed agreement to your child's homeroom teacher/advisor by Friday, August 23rd.

We look forward to a wonderful year and hope that you will refer to the handbook throughout the year when you have questions about procedures or policies.

Sincerely,

Theresa Ferrari
