MEAL PICKUP AND A LA CARTE ORDERING INFORMATION

Students with pre-ordered, pre-paid meals will have the convenience of using our express cashier lane where they check in by placing their finger on the finger scanner so the Cashier can confirm their order and present the student with their lunch ticket. The student then goes to either the salad bar or hot meal stations to collect their meal by presenting their ticket to the attendant. Students with accounts will also be able to order at the Cashier station even if they have not pre-ordered.

The advantage of pre-ordered, pre-paid meals is that your child is guaranteed to receive the lunch you have ordered for them. Alternatively, we offer a la carte items which students can purchase from the canteen by paying in cash or charging it to their accounts. Please be aware that this is on a first-come-first-serve basis which means that your child may not get their first choice. Access to accounts will be secure using our biometric finger scan input devices located at each cashier station which will link each student to their specified account.

EMERGENCY MEALS

Emergency meals may be available through Cayman International School Administration. Should Mise en Place provide a meal the school administration will be notified. Please contact the school office directly for emergency meal requests. Mise en Place will also attempt to facilitate emergency/last-minute funding of an account however this cannot be guaranteed. Please contact the Administrator directly to request emergency funding.

Mise en Place cannot be held responsible for cash payments not made directly to our Cashiers or Mise en Place offices where an official receipt can be provided.

GET A \$50 CREDIT

Simply fund your child's account at any time throughout the school year with a minimum CI\$500 payment and MEP will automatically provide an additional CI\$50 to your child's account! Please contact the Administrator for more details.

PRE-ORDER FACILITY

For parental control and security, we offer a pre-order system which guarantees your child's first choice of lunch. Students will also be able to make a lunch selection from the options still available and pay by cash, or charge to their accounts during daily service.

KEEP A CARD ON FILE

We encourage parents to keep a credit card on file for easy payments. This will allow you to email the Administrator authorizing a set payment to your child's account in order for the account to be funded. You will receive a confirmation email for all processed payments completed. Please complete the Credit Card Authorization Form which is attached and return to MEP prior to ordering.

ABSENCES

In the event that your child is absent from school Mise en Place will provide credit only when notice is provided prior to 9:00am on the day of service. Should the school provide us with at

least 24 hours notice for school sanctioned absences, such as field trips, then we will provide credit for all affected students upon request.

NATURAL DISASTERS/UNFORSEEN CLOSURES

Mise en Place will provide credit for periods of closure due to natural disasters or any unforeseen closure with at least 24 hours notice. Please note that due to advance ordering and food preparation the provision of credit may not always be possible.

Please do not hesitate to contact our School Catering Administrator at 623-2432 or email at admin@catering.ky for more information. Mise en Place's business office hours are Monday to Friday from 9:00am to 5:00pm. In the case of an emergency and the Administrator cannot be reached on the direct line provided, please call 623-2433 which is the main office number and any of our staff will be happy to help you.
