Consequences/Disciplinary Action

- LMS students are required to be in dress code from the time they arrive at school until the end of the school day.
- Students out of dress code may be sent home to change and may also receive disciplinary action. Absences from any class due to dress code violations will be unexcused.

The administration reserves the right to amend the dress code as they see fit. The administration may take action on any dress or grooming issue that pulls the attention away from the instructional focus of the campus.
