

# 2019-2020 Jefferson PTA Membership Form

## MEMBERSHIP INFORMATION:

- Your PTA membership includes exclusive access to the Jefferson online directory and App!
- Membership allows you to participate as a voting member in an organization that not only benefits your child, but all children at Jefferson.
- Did you know that only a portion of your dues stays with our local PTA? The rest goes to State and National dues. So, your additional support is critical to our success!
- Parent Memberships are **\$15 per person**.

## SUPPORT INFORMATION:

As an all-volunteer organization, the PTA depends entirely on donations and fundraising to pay for the various programs and activities it supports at Jefferson. Our fundraising efforts last year enabled the Jefferson PTA to provide each student over \$100 in benefits in exciting and enriching programs including: Assemblies, Book Fair, Family Fun Run, Junior Great Books, Mathletes, Science Olympiad, Thanksgiving Feast and so much more supporting our teachers and students in the classroom.

Please help keep Jefferson a **NO SELL** school where we will *never* ask your family to sell items door to door to fund programs. In addition to the per person membership, we ask you to contribute a suggested amount of **\$20 per child** or **\$50 per family** to jump start our efforts.

*Additional Contributions:* In the event you would like to make a more generous contribution, we are happy to accept a donation above and beyond the suggested amounts.
