Annual Concussion Training Requirement

Parents/ guardians and students who plan to participate in any athletic program at Community Day Charter Public School must also take a free on-line course.

Two free on-line courses are available and contain all the information required by the law. The first is available through the National Federation of High School Coaches. You will need to click the “order here” button and complete a brief information form to register. At the end of the course, you will receive a completion receipt which should be provided to the coach or athletic director as documentation. The entire course, including registration, can be completed in less than 30 minutes: <https://nfhslearn.com/courses/61064/concussion-in-sports>.

The second online course is available through the Centers for Disease Control at: www.cdc.gov/concussion/HeadsUp/online_training.html.

Please complete and send copy of completion to main office.

I understand there is an inherent risk in playing sports and the range of injury can be minor to severe. It is further understood that in case of injury, the school is responsible only for first aid treatment. If my son/daughter does suffer an injury that you give permission to the school to seek medical attention. To my knowledge, my son/daughter have not been treated for any pre-existing medical condition that could be aggravated by participating in interscholastic athletics.

I also understand that all equipment issued is property of the Community Day Charter Public Schools and is to be returned within 24 hours of the season close or I will assume the current replacement cost.

I/We also give permission for my/our child to be transported to and from any athletic event. I understand the department policy will be to provide transportation by school bus or van, but in the event a bus or van is not available, private transportation may need to be used. These vehicles will be driven by responsible adults (parents of athletes or coaches), and they cannot be held responsible for any accident or injury that might occur.

In addition, we acknowledge that Community Day Charter Public Schools does not always provide transportation to all games and therefore, I may be required to arrange for transportation. Not all CDCPS athlete events require transportation.

I/We are aware all athletes must meet all academic and behavioral requirements of CDCPS to remain in good standing on CDCPS teams. Any student that does not meet those requirements may be suspended from practices and games due to not meeting those requirements. In certain situations, dismissal from the team could result.

Finally, I am aware that the athletic fee for the Fall Flag Football season is \$35, Fall Cross Country is \$35, Fall Package \$50, Basketball fee is \$60, and Spring Sports fee is \$35.

I have read the above requirements and the information provided, understand and agree to their terms and will help my son/daughter to carry out his/her responsibilities as a CDCPS student/athlete.
