CREATIVE  
FORGING LEGACY WITH LIGHT AND LOVE

Now Accepting New Students

Classes start Wednesday August 21<sup>st</sup>, 2019

## OUR CLASSES [Register Online at <http://workshops.m3creativellc.com/musiclessons>](http://workshops.m3creativellc.com/musiclessons)

Private piano instruction is available for students aged 5 and up. Private voice instruction is offered beginning at age 8. We offer private lesson instruction with curriculum for both young students and adults. Beginning level students should consider starting with 30-minute lessons once per week. 45-minute and 60-minute lessons are also available.

Piano students will play on a baby grand piano during lessons. Beginners may practice on a keyboard at home but will need to consider upgrading to a piano as their skill and technique advances.

Students will be required to purchase music and books for their lessons which are separate from lesson fees. Recital and other performance opportunities will be available throughout the school year. Parents are welcome to sit in on the lessons. Initial Registration Fee(s) applies.
