Such assessments may be in the form of a practical (lab) exam, a written exam, or project.

Attendance & Tardies

Attendance is submitted each session. Attendance & Tardy Policies will be posted in the classroom. A student is considered ABSENT if he or she misses 20 minutes of any session. A student is considered TARDY if he or she is not in the room at the official start time of any session. Make-Up Work Policy – Student Responsibility

****Please make note: it is the student's responsibility to take care of business.**

- A student will be responsible for obtaining and completing the makeup work in a satisfactory manner and within the time specified by the teacher. When absent, the student is afforded the number of days missed plus one additional day to turn in makeup work. [A/B Block Example: A student misses Monday and Tuesday of the week and he/she returns on Wednesday of that same week. Student work from Monday's absence is considered late after Friday, and student work from Tuesday's absence is considered late after the following Monday.]
- A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.
- A student is encouraged to speak with his/her teacher if the student knows of an absence ahead of time, including absences for extracurricular activities, so that the teacher and student may plan any work that can be completed before or shortly after the absence.
- A student will be permitted to make up tests and turn in projects due in any class missed because of absence. Teacher may assign a late penalty to any long-term project in accordance with time lines approved by the principal and previously communicated to students.

Test Retakes

Our goal is for students to be successful and master the objectives for the course. If, due to extreme circumstances, a student scores below 70% on a major written test (***final exam excluded***), he or she may request a retake. Once approved, the maximum grade will be 70% and the following must occur:

- The student is encouraged to attend a tutorial with Chef Roberson
- The student must schedule the retake test before the end of the six-week grading period.

Late Work Policy

All work done ***in class*** must be turned in by the designated due date and time. * Teacher designates due date and time for assignment (Beginning of class period, End of class period, designated time of day)

- If a student fails to meet the due date and time, then the student has until the next class period (next- A day- or B day) to turn in assignment to be considered one day late.
- Students will be assessed a penalty of 30% points for up to one class period late.
- Score of zero may be given for work turned in after one day late.

Extra Credit Policy

Extra Credit opportunities will only be offered if all regular daily work and assessments have been completed and submitted.

Academic Dishonesty

All persons involved in academic dishonesty will be disciplined in accordance with the student handbook. Academic dishonesty includes, but is not limited to, ***cheating, plagiarism, and the submission for credit of any work or materials that are attributable in whole or in part to another person.***

Lab Safety

The professional kitchen is a dangerous setting. All culinary students will be held accountable to a “zero tolerance” safety policy upon entering the kitchen lab. Detailed information regarding the policy will be discussed during the first week of class. ***Students who choose to not follow the policy will receive an immediate referral and will be suspended from cooking and tasting privileges for a two-week period.***

Selection Process for Culinary Classes:

Due to the large number of students who request culinary courses, placement is very competitive. The following criteria are used to determine ***eligibility***. Please see course description guide for coherent sequence of courses and prerequisites.

- 1.) Student has passed the Culinary course.
- 2.) Student has been recommended by prior Culinary Arts instructors. Recommendations are based upon consistent professionalism, and attendance as outlined in the Professionalism Rubric, grades, and behavior adherence.
