More than 150 Kanji letters will be introduced.

Class Participation

Active participation is critical to master Japanese and expected from all students especially in Japanese III class. You will have a lot of opportunities to practice to speak though pair. Take advantage of the class time to learn and improve your Japanese language skills. This class is a stress free classroom: don't be afraid of making mistakes. The teacher will be speaking in the target language most times, meaning you must be paying attention to the class or you will miss critical information!

Pre-AP Japanese III

Please remember that the biggest goal for this class is literally for students to be ready for the AP Japanese IV. This class is ONLY for students who aim to PASS the AP Japanese Exam (NOT for experience, but for passing!) and who have strong determination to study hard to pass the exam. If you expect the level 3 class is similar to the level 1 & 2, you will soon realize that you MUST work much harder. Remember the grade for the Pre-AP Japanese III is determined exclusively based on the student's mastery of the Japanese language.

*Please understand the nature of AP courses. The AP Japanese Language and Culture course (AP Japanese IV) is "*designed to be comparable to college/university Japanese courses that represent the point at which students complete approximately 300 hours of college-level classroom instruction.*" (quoted from AP Japanese Language and Culture Workshop Handbook, p3, Collegeboard)

Attendance and Tardy Policy

Please remember one class period at Ben Barber is equivalent to three class periods class at your home campus. If you miss one day, you miss three days! You cannot afford this. All tardies and absences will be recorded and reported in accordance with MISD policy set forth in the Student Handbook (p. 60). **An absence is defined as missing 20 minutes or more of any class.**

Academic Dishonesty

Please refer your student handbook. The student handbook explains it in detail. In my classroom, academic dishonesty will be dealt with in accordance with policies outlined in the Student Handbook; academic dishonesty includes, but is not limited to: plagiarism, fabrication of information or citations, submitting the work of another person, allowing another person to substitute for oneself in completing course work or taking a course test, submitting work previously used without informing the instructor and securing written approval, or tampering with computer files and/or academic work of other students.

Consequences for Academic Dishonesty (NO negotiable. Teacher decides if a student cheated or not, not the student!)

- Referral to AP
- Contacting parents
- Consequence from administrator would be a MINIMUM of AC placement

2. Exams or Other Major Assessments
