

# WHITSONS HAS LOCAL PARTNERS

Whitsons is Simply Rooted® in food and family, and we believe that food should be made from scratch using real ingredients, provide proper nourishment for growing bodies and taste good! This is why we pride ourselves on the food we serve, it's simply good for you! We also value the relationships we have with our local NY farmers and food suppliers. These local partnerships allow us to bring our customers sustainable meal options, ultimately helping us to reduce the environmental impact of the food we serve. We also encourage an overall healthier lifestyle through our meal promotions and nutrition education information.
