

Each year children look forward to buying school supplies and new classroom materials. The current State budget has put a drastic cut on the current school funds. Linda Vista PTA would like to ask you to help by donating the listed items. It would be wonderful if your student could bring the following supplies to his/her teacher during the first week of school. An * indicates shared classroom use.

Kindergarten School Supply List

- 1 Bottle of hand soap
- 4 reams of copy 'Xerox' paper*
