I have read and agree to comply with all regulations that have been adopted by the Unionville-Chadds Ford School Board (Policy 223) governing the use of vehicles on Unionville High School grounds(see Student Handbook). Assignment of a parking permit indicates approval by the school for this automobile to be parked on school grounds. It is further assumed that the student will follow all rules and regulations pertaining to the safe operation of a motor vehicle . Failure to do so will result in loss of this privilege.
