

Can I change my schedule?

I've already taken and passed this class.

I don't see how this class can help me with my future.

I did not pass the prerequisite for the class.

This class/my schedule is too hard.

I should be in a higher level class.

I want the same schedule as my friend.

I never requested this class.

I want a different teacher.

There is a hole in my schedule that needs filled.

YES!

NO!
