

August 2019

Dear First Grade Students and Families,

Welcome to first grade! I am very excited to be your new teacher this year! I have been busy setting up our classroom, and spending time with my family and friends this summer. I hope you had a wonderful, amazing summer and I can't wait to hear all about it!

We are going to have a marvelous year. We will be reading and writing lots of delightful stories together. We will also be busy learning math, science, social studies, Spanish and technology through the use of iPads! On our first day of school, we will begin our countdown to the 100th day of school where we will have a celebration. First grade is a great time for you to share your knowledge with others, make new friends and see some old friends too.

Parents, please e-mail me at mullinl@lmsd.org so that I may create an electronic distribution list for our class. In the subject section please write "1LM contact" and include parent/guardian and student names in the body of the e-mail. This list will be used to facilitate communication about classroom events and other important information. I have also included a parent information form for you to complete and return on the first day of school. This information will be very helpful to me as I get to know your child.

I am very excited to meet you and begin our magnificent year in first grade together.

Sincerely,
Ms. LeAnne Mullin

Introducing... YOUR Child

I'd like to know more about your child, through your eyes. The more I know, the better I can design an educational and motivational program to fit his or her particular needs.

Please answer the questions and complete the information below. Remember, this is from *your* point of view. Please send it in with your child as soon as it's completed. **PLEASE RETURN BY 9/6/19.**

Thank you!
