

August, 2019

Dear Parents, Guardians, Caretakers, and Students,

I write to introduce myself and to welcome you to second grade!

I grew up in New Mexico, and moved to Pennsylvania in 2002. I have an undergraduate background in Spanish and Music, and a master's degree in curriculum, instruction, and assessment from Rosemont College. During 15 years of teaching, 11 of those in 2nd grade, I have learned the importance of teaching children, as opposed to simply teaching subject matter. My hope is to impress upon your child a love of learning and to offer a warm and nurturing environment in which natural curiosity has room to grow.

I have two children, Gabriel and Noah, ages 10 and 7. Through their coming school years, I hope they will be known and appreciated by their teachers. The love and support we offer our children is infinite, and I hope to be an important member of your child's network at Merion School. To that end, some former students gave me some important advice last June:

"Give more time at the end of the day for a read-aloud and stop leaving us in suspense at the very best part of the book."

"Continue juggling and playing guitar."

"Keep doing fun games like heads-up seven up and statues in the garden."

"Continue to be flexible."

"Continue the fun field trips like: The Narberth Walk, The Elmwood Park Zoo, and the Lower Merion Conservancy."

"Keep doing fun days like pajama day, or class parties."

"Continue telling jokes and riddles."

Each year, my enjoyment of teaching is renewed by my journey with a new class. I look forward to working with you and your child this year!

I'm looking forward to seeing you soon!

Sincerely,

Matthew Tinker, M.Ed.

We have snack every morning so please send your child with something nutritious.

Introducing... YOUR Child

I'd like to know more about your child, through your eyes. The more I know, the better I can design an educational and motivational program to fit his or her particular needs.

Please answer the questions and complete the information below. Remember, this is from *your* point of view. Please send it in with your child as soon as it's completed. **PLEASE RETURN BY 9/6/19.**

Thank you!
