

Student Handbook 2019-2020

Mueller Park Junior High School Student Handbook

ACCIDENTS/ILLNESS

Accidents and illnesses are to be reported to the office where immediate care can be arranged. Parents will be contacted before students will be allowed to check out of school with an illness or injury.

ATTENDANCE PROCEDURES

Absence - If a student is going to be absent for any reason, a parent should let the office know. The school cannot release a student from school to anyone but the legal guardian or individual designated by the guardian. All activities during the school day are mandatory. Activities are planned for students' educational value. All assemblies, dances, testing, etc. are an important part of the junior high school experience. The school will not support any unsupervised release of students during these events or at any other time. In the event of an absence, all make-up work is the student's responsibility. Absences must be cleared within 3 days after returning to school from an absence. Five (5) unexcused absences will result in a citizenship U. To clear an absence the parent/guardian may either send a note with their student (to be turned in at the office), call the attendance line at 801-402-6306, excuse the student in myDSD, or email the attendance secretary at MPJHAttendance@dsdmail.net.

Prearranged Absence - Students who must miss school for hospitalization, family trips, etc., should pick up an Extended Absence Notification Form in the office. When students arrange unavoidable absences in advance, they stand a better chance of maintaining academic and citizenship standing. The form allows teachers and administrators to know that the student will be absent and details responsibilities the student should have ready upon return.

Admit to Class - Admits will only be written for students who check in to school or have been detained in the office. Admits do not excuse a student's tardy unless so specified.

Check-in/Check-out Policy - Students must check in through the office before going to class if they have arrived at school late. Students must check out in the main office if they are going to leave school before the end of the school day. To check out, a student's parent/guardian must come to the office in person. For student safety, picture ID may be required. Students may meet parents in the office at the designated time. If the student is unaware that he/she will be checking out, the office will send for the student.

Closed Campus Policy – Mueller Park Junior High School is a closed campus. Students are to remain on campus during school hours, including lunchtime. Students who choose to leave campus without checking out are considered truant.

Homework During Absences – Students who miss class should contact their teachers as soon as possible following an absence to identify a plan to make-up missed schoolwork. Students who are absent can communicate with teachers via email and through use of

teacher webpages or canvas to learn about the expectations for making up missed work.

Tardiness - Tardiness is disruptive to the orderly running of a school. Students may be considered tardy if they are not prepared for class and in their seats before the tardy bell. Students who are excessively tardy will receive reduced citizenship grades and will be subject to school discipline. Three (3) tardies in one term in any given class will result in a citizenship N. Four (4) tardies in one term in any given class will result in a citizenship U.

Truant (Unexcused Absence) - Students are truant if they are not where they are supposed to be during school hours. Administrative penalties may include, but are not limited to, an administrative “U”, make-up classes, or a fine as outlined in the schedule below.

Truancy Citation Fine Schedule

- First – Warning
- Second - \$10.00
- Third - \$15.00
- Fourth - \$20.00
- Fifth or more - \$25.00 each

Other Possible Consequences of Truancy

- A “U” citizenship grade may be given in classes missed.
- Students may not make up assignments or tests missed because of truancy.
- On-campus detention.
- Parent conference may be required prior to returning to school.

BACKPACKS AND BOOK BAGS

The on-campus use of backpacks or other large bags to carry books and school materials at school will be limited to carrying such bags to and from school. Once at school, all such bags shall be kept in student lockers. In classrooms, in the cafeteria, in the gym during class and assemblies, in the gym locker rooms, etc., backpacks and large book bags will be prohibited. This policy includes, but is not limited to, backpacks, large duffel bags, briefcases, and large purses. Small purses, smaller than a notebook, will be allowed.

BUS CONDUCT

To ensure safety, students must demonstrate responsible behavior while riding the school bus. All students being transported are under the authority of the bus driver and must obey driver requests. Students should follow these rules:

- Stay off the pavement as the bus approaches;
- Enter the bus in an orderly manner;
- Be seated and remain seated while the bus is in motion;
- Obey bus driver’s directions immediately;
- Do not place objects or arms, legs, or heads out the windows of the bus;
- Do not eat or drink on the bus;
- Do not litter or vandalize;

- Do not open the emergency door or window except in case of emergency;
- Do not carry any item that could cause a hazard to passengers;
- The only music allowed on the bus will be played by the bus driver, or students may listen on personal earphones only;
- Refrain from any behavior/language that is racial or sexual in nature.

Students who violate the bus conduct rules may be suspended from the privilege of riding the bus. A school administrator will contact parents and/or the police in cases where students have engaged in disorderly conduct or behaviors that endanger passengers.

Eligibility – To find out if a student is eligible for bussing, see the District webpage. Bussing information should be available within a week prior to the beginning of school each year.

CAFETERIA-COMMONS-HALLS

Cafeteria – Breakfast and lunch are served daily (with few exceptions). Breakfast is available from 7:30am until 8:05am. See bell schedules for specific lunch times. All food purchased in the cafeteria or brought to school must be consumed in the cafeteria. The following behaviors are strictly prohibited in the cafeteria:

- Running to get in line;
- “Cutting in” or saving a place for others in line;
- Throwing anything;
- Leaving trash, trays, or food on the tables;
- Taking food out of the cafeteria area;
- Bringing binders or school supplies into the cafeteria during lunch.

Commons – Eating is only permissible in the cafeteria. Students should place wrappers and containers in trash cans to ensure a clean school environment.

Davis School District, Farmington, Utah **Meal Charges in Schools**

The purpose of these procedures is to establish consistent meal charging and collection procedures districtwide. The District’s goals are:

- To maintain a positive experience for students during meal service.
- To treat all students with dignity and respect.
- To establish practices which are age appropriate.
- To minimize meal charges and encourage parents to pre-pay for all meals.
- To promote parents’ responsibility for meal payment and self-responsibility of the student.

Meal Accounts: Payment in advance for meals enables the District to achieve these goals. Personal checks and cash deposits are accepted daily at the schools. For convenience, deposits may also be made by credit/debit card through a parent’s myDSD account.

Emergency Meal Service: The Board of Education acknowledges that on occasion, students

may forget or lose meal money. In such cases, the student's statement of need shall be accepted, and a meal will be made available. School lunch employees shall not, withhold a meal, provide an alternate meal, pull a student from the line, ask the student to call his parent or friend, stamp the student's hand, or otherwise call attention to the student who has forgotten or lost meal money. A school lunch employee may remind a student **attending a secondary school** that his account is in the negative. **The cost of the unpaid meal will be charged to the student's account.**

Evaluate Individual Circumstances: When a student repeatedly comes to school without a meal from home or money to participate in the school meal program, school administrators should consider if circumstances in the home warrant contacting social workers or Child Protective Services. Frequent requests may indicate the family's need for free- or reduced-price meals. School administrators may work with the family to apply for school meal benefits. **All meals eaten before a free- or reduced-price meal application is processed and approved are the responsibility of the parent and must be paid for.**

Repayment for Meal Charges and Bad Checks: Federal guidelines prohibit the Food and Nutrition operation from writing off bad debts as a result of charged meals. Every effort will be made to collect for unpaid meals. Unpaid meal charges may result in the following:

- An automated telephone call to the parent.
- An email sent to the parent.
- A verbal reminder to student attending a secondary school.
- School lunch manager contact parents by phone or notes in teacher mailboxes.
- In case of significant delinquent payments, a letter will be sent home from the Food and Nutrition Department.

Parents are responsible to pay all of their student's meal charges. All unpaid charges will be added to the list of any outstanding fees or unpaid fines at the end of the school year. Uncollected meal charges shall be handled the same as other school debt.

CHANGE OF ADDRESS

Parents and students should notify the office when their address or phone number changes or when there is a change in the legal guardian. Such notification allows the office to be able to contact parents and send information to the accurate address.

CITIZENSHIP POLICY

The Davis County School District has instituted a citizenship policy that affects high school graduation. Ninth grade students who receive citizenship U's must make them up prior to high school graduation. Citizenship grades will be determined each term by the teacher. The school administration can also issue a citizenship 'U' for negative or inappropriate behavior. An unsatisfactory citizenship grade can result from serious negative behavior. Serious negative behavior may also result in appropriate administrative action including suspension. Serious negative behavior might include, but is not limited to, documented conduct such as:

- Five (5) or more uncleared absences in a term;

- Four (4) or more tardies in a term;
- Obvious disrespect for school staff and authority;
- Use of vulgarity or profanity;
- Public displays of affection, i.e. holding hands, hugging, kissing, etc.;
- Direct and willful disobedience of school rules and policies;
- Possession/use of real/imitation controlled substance/drug paraphernalia/alcohol/tobacco or under the influence of a controlled substance/alcohol;
- Cheating, or the use of deception to gain advantage (example: copying another's work and claiming it as your own);
- Fighting;
- Theft, destruction or vandalism of private or public property;
- Trespassing;
- Truancy;
- Disruption of learning activities;
- Harassment, bullying or hazing;
- Extortion, i.e., intimidation, harassment, bullying, etc., to get something from another person;
- Possession of weapon(s).

In addition to receiving a citizenship U, many of the behaviors described above are considered safe school violations.

To clear a U, a student must complete a school-approved community service and pay a \$5.00 fee. When the citizenship credit is satisfactorily made up, the administration will restore the lost credit. Students interested in appealing a U must contact the Citizenship Secretary prior to mid-term of the following term.

CLASS CHANGE POLICY

Class change requests for each semester will be accepted during scheduled class change dates. By school policy, no class change requests will be accepted during a semester already in session. Any exception to this policy will be rare and require certain conditions, i.e. physical impairment or injury that prohibits or limits participation in a given subject area, improper level placement in subject areas, or professional or medical recommendations that require class changes. Each time a request is made for class changes, there will be a \$10.00 charge.

CLEARING THE BUILDING

Students are required to leave campus immediately after school at the end of the day unless they are under the supervision of a teacher or parent. Students should plan for rides to pick them up from school immediately following the bell to end school.

CLOSED HALLS

All classroom halls are closed during lunch. Students should be in the cafeteria, counseling

center, media center, gym, and outside or in the commons area during lunch.

COMPULSORY EDUCATION

A parent or legal guardian having custody over a school-age minor is required under State law to enroll and send a school-age minor in a public or established private school during the school year in the district in which the minor resides. The process of education requires continuity of instruction, class participation and study. Frequent absences from classes disrupt the instructional process. Parents/guardians are encouraged to work with the school in promoting regular attendance of all students.

COUNSELING SERVICES

Guidance counseling services are available to all students. These services include College and Career Readiness Meetings (CCRs), interpretation of standardized test results, student registration and orientation, and assistance with personal problems. The counseling center provides an opportunity for students to meet individually for career exploration and planning. Computer software materials enhance this search. The counseling center is open during lunch time for all students.

COMPUTER ACCEPTABLE USE POLICY

Computers used by students are for instructional purposes. Prior to computer use, students and parents will sign an Acceptable Use Policy, which addresses issues related to the use of the Internet. Student misuse of school computers will result in school discipline and a loss of computer privileges. At the end of each school year, student folders and files will be deleted.

DANCES/ASSEMBLIES

Dances are for Mueller Park Junior High students only. During the dance, students must be in the dance location. Students may enter the den briefly to get a drink of water or use the restroom. All halls will be closed until after the dance when students may access their lockers before going home. Running, rowdiness, lewd/suggestive movements or other dangerous behavior will result in disciplinary procedures, which may include early dismissal from the dance.

It is expected that students will enter and leave the gym in an orderly fashion for assemblies. Appropriate respect and appreciation for the performers is expected. No books or supplies should be taken into the assembly.

DETENTION / IN-SCHOOL SUSPENSION (ISS)

Detention and In-School Suspension (ISS) are designed to provide a place where students in violation of school policies may study. Students can be assigned to detention or ISS by the administration. If detention/ISS is not completed, students may be suspended, requiring a parent conference. An administrator will notify parents when after-school detention/ISS is assigned to a student.

DRESS AND GROOMING

The dress code for students is as follows:

1. Students shall maintain themselves in a clean, well-washed, modest manner.
2. Students shall be fully clothed and wear shoes at all times.
3. Shirts shall cover the student's entire upper torso. All shirts, tops and dresses are required to have sleeves. Bare midriffs and sheer fabrics are not allowed. Visible cleavage and bare backs are not allowed.
4. Length of skirts, dresses and shorts must be within three (3) inches of the top of the knee.
5. Holes or shreds above the knee in pants or skirts shall have a covering underneath, such as patches, leggings, or compression shorts.
6. No obscene or sexually suggestive words or pictures shall be worn on clothing. Pictures and symbols of gang affiliation, weapons, drugs, and alcohol or tobacco products are not allowed.
7. Students will not be allowed to wear hats or bandannas in the building.
8. Pajamas are not allowed.
9. Underwear, such as boxers, briefs, and bra straps should not be visible at any time.
10. Accessories, such as chains, large belt buckles, spikes, etc., which pose a threat to others or which become a nuisance to the school environment are not allowed.
11. Clothing, makeup, accessories, hairstyles/coloring, or piercings which can be considered extreme, or which bring undue attention to the student, are not permitted.

ELECTRONIC DEVICES

Scope – The Utah State Board of Education vests in school administrators the responsibility to develop a policy governing the possession and use both District-owned and privately-owned electronic devices and the authority to enforce reasonable rules relating to such electronic devices in schools (5S-100 Student Conduct and Discipline 12.6 Electronic Device Policy).

Definitions - **“Electronic device”** means a device that is used for audio, video, or text communication or any other type of computer or computer-like instrument including: (1) a smart phone; (2) a smart or electronic watch; (3) a tablet; or (4) a virtual reality device.

“District-owned electronic device” means a device that is used for audio, video, text communication, or other type of computer or computer-like instrument that is identified as being owned, provided, issued or lent by the District to a student or employee.

“Privately-owned electronic device” means a device that is used for audio, video, text communication, or other type of computer or computer-like instrument that is not owned or issued by the District to a student or employee.

Possession and Use of Electronic Devices - Students may possess and use electronic devices at school subject to the following:

- Students may carry or possess electronic devices at school and school-sponsored

activities.

- Students may use electronic devices before school, during lunchtime, after school, or during class when authorized by the teacher for academic purposes.
- Electronic devices must be turned off and kept out of sight during class time and assemblies.
- **At no time may electronic devices be used in restrooms or locker rooms.**
- If at any time an electronic device is used in such a way that is deemed disruptive to the school, school authorities may confiscate the device. Students who violate this policy may lose the privilege of bringing devices to school.

Prohibitions – Electronic devices shall not be used:

- During standardized assessments unless specifically allowed by statute, regulations, student IEP, or assessment directions.
- In ways that bully, humiliate, harass, or intimidate school-related individuals, including students, employees, and guests; or violates local, state, or federal laws.
- In ways that would cause invasions of reasonable expectations of student and employee privacy.

Additionally, students may not use the audio or video function of any electronic device at school, without the permission of a supervising adult as part of a legitimate academic pursuit.

Exceptions to these prohibitions must be cleared with administration and are based on special circumstances, health-related reasons, use consistent with a current and valid IEP, and/or emergencies.

Confiscation - If a student violates this policy, his/her electronic device may be confiscated. When an employee confiscates an electronic device under this policy, he/she shall take reasonable measures to label and secure the device and turn the device over to the office to be secured as soon as the employee's duties permit. When this policy is violated, school officials will use the following process:

1st offense: Device confiscated – May be picked up in the office at the end of the day.

2nd offense: Device confiscated- Lunch detention(s).

3rd offense: Device confiscated – Lunch detention(s). Will only be released to a parent.

Offenses beyond the 3rd may result in a suspension from school and other appropriate disciplinary actions.

Security of Devices

Students shall be personally and solely responsible for the security of electronic devices brought to school. The school shall not assume responsibility for theft, loss, damage, or unauthorized calls made with an electronic device. If devices are loaned to or borrowed and misused by non-owners, device owners are jointly responsible for the misuse or policy violation(s).

ELIGIBILITY

Extra-Curricular Activities - Participation in athletics, cheerleading, student government,

student clubs, and other extracurricular activities is not a constitutionally protected civil right. Therefore, students who are suspended, transferred to an alternative placement, or expelled, may lose the privilege of participation in all extracurricular activities during the period of discipline and will not be afforded due process procedures to challenge the denial of participation.

Eligibility and Standards - Students participating in extracurricular activities shall exemplify good citizenship. District and school standards for student participation in student government and extracurricular activities are as follows:

Eligibility for Student Officers and Cheerleaders:

Academic Requirements - Students must have a 3.0 GPA with no F's for each of the three preceding terms to run for office or tryout for cheerleader and must maintain a 3.0 GPA with no F's each term to remain in that office. A GPA of less than a 3.0 or an F will put the student on probation until the next grading period. (Midterm progress reports DO NOT APPLY.) A student can only have one (1) probationary period while being an officer or cheerleader.

Determination of academic eligibility shall be determined when grades are posted. Grades are posted when all grades have been entered electronically and are available to students, parents, and teachers. In no case may the posting date be more than five (5) school days following the last day of the grading period. Grade changes after the posting date cannot restore lost eligibility.

Citizenship Standards - Students must not have received more than one U total during the three terms preceding elections or tryouts or no more than 2 N's total during the three terms preceding elections or tryouts. If a U citizenship grade was received during the grading period prior to elections or tryouts, that U must be cleared before the due date of petitions for office (student government) or the first day of tryouts (cheerleaders and athletes). One U or more than two N's during office/cheerleading will put the student on probation until the next grading period. Two probations, more than one U, a safe school violation, and/or a pattern of school policy violations will result in immediate removal from office or cheerleading team.

Determination of citizenship eligibility shall be determined when citizenship grades are posted. Grades are posted when all grades have been entered electronically and are available to students, parents, and teachers. In no case may the posting date be more than five (5) school days following the last day of the grading period. Citizenship grade changes after the posting date cannot restore lost eligibility.

Eligibility for Athletics:

Academic Requirements - Students participating in athletic activities must have a 2.0 GPA from the previous term. This standard must be maintained throughout the playing season in order to participate. Mid-term progress reports do not apply.

No student shall be eligible to represent his or her school if he or she has academically failed more than one subject in the preceding grading period. Incompletes (I) are considered failures and must be factored into the GPA until made up.

Determination of academic eligibility shall be determined when grades are posted. Grades are posted when all grades have been entered electronically and are available to students, parents, and teachers. In no case may the posting date be more than five (5) school days following the last day of the grading period. Grade changes after the posting date cannot restore lost eligibility.

Citizenship Standards - Students receiving one U in the preceding grading period will be subject to review by the School Standards Committee. A student may be put on probation and allowed to participate if the committee feels that there have been mitigating circumstances, or that an honest effort is being made to improve.

Students receiving two or more U's in a grading period will be eliminated from extracurricular activities immediately and for the next term.

Determination of citizenship eligibility shall be determined when citizenship grades are posted. Grades are posted when all grades have been entered electronically and are available to students, parents, and teachers. In no case may the posting date be more than five (5) school days following the last day of the grading period. Citizenship grade changes after the posting date cannot restore lost eligibility.

At the discretion of the school principal and School Standards Committee, a student with one or more U's may participate when their credit has been restored.

Standards Committee/Appeals - Mueller Park Junior High Standards Committee will consist of an administrator, a counselor, a faculty representative, and a PTO representative. An eligibility appeal shall be presented in written form to an administrator stating the position of both the student and staff member involved. Improvement must be shown by the next grading period. The committee will base their decisions in compliance with policy and the best interest of the student.

Participation in interscholastic athletics, cheerleading, and other extracurricular activities is not a constitutionally protected civil right. Therefore, students who are suspended or expelled shall lose the privilege of participation in extracurricular activities, including practice, during the period of suspension/expulsion.

EMERGENCY DRILLS

Emergency evacuation drills are conducted periodically for practicing safe and efficient exit of the building. Students should take each drill seriously and follow the exit routes posted in classrooms. Once outside, students should stay at least 100 feet from the building and close to their teachers. Once the drill is completed, teachers will lead students back into the building. Under no circumstance should students reenter the building on their own following an alarm.

FEES/FINES

Students and parents are responsible to pay all applicable school fees and fines. Persons interested in applying for a Fee Waiver should contact the main office.

Students who owe fines or fees at the end of the school year will not receive their yearbook until arrangements have been made with the administration/office to clear their fines. Fines must be cleared prior to yearbook day. Outstanding fees/fines at the end of the year will be turned over to Bonneville Collections at the expense of the parent/guardian.

GRADES

All students will receive a letter grade unless there are extenuating circumstances approved through the administration. Pass/Fail grades are for office assistants, teacher assistants and Advisory class. Term academic and citizenship grades are final grades and will appear on the student's transcript. Incomplete grades automatically default to F after ten (10) school days if the work is not completed. It is important for students and parents to check scores/grades regularly in myDSD.

GPA - To calculate GPA, assign each grade a number value, add together and divide by the total number of grades received.

A = 4.000	A- = 3.667	B+ = 3.333
B = 3.000	B- = 2.667	C+ = 2.333
C = 2.000	C- = 1.667	D+ = 1.333
D = 1.000	D- = 0.667	F = 0.000

Grading Concerns – If questions arise concerning grades, the student should contact the teacher immediately. Teachers are available to meet with parents by appointment to discuss individual concerns.

HALL PASSES

Students must have a hall pass to be in the hall during class time. Each faculty member will have a hall pass. This pass will be given to any student leaving class and returning the same period. No more than one student may use a hall pass at a time. Class time is valuable and use of the hall pass will be limited to those situations where it is necessary. Reasons for using a hall pass include the following:

- Student needing to go to his/her locker;
- Student needing to use the restroom;
- Student needing to run an errand for a teacher;
- Other vital teacher/student needs.

The main office or counseling office will occasionally send for students from class using a Transit Note. This transit note may serve as a student's hall pass.

HOME/HOSPITAL

If a student is going to be homebound or hospitalized for more than ten consecutive school days, the parents should contact the school to apply for Home/Hospital services. A physician's signature is required for the school and District to authorize Home/Hospital services.

HONOR ROLL

A student may achieve the Honor Roll in scholarship, citizenship and attendance. Requirements for being placed on the honor rolls are as follows:

- **4.0 Designation** – 4.0 GPA
- **High Honor Roll** – 3.75-4.0 GPA
- **Honor Roll** – 3.45-3.749 GPA
- **Citizenship Honor Roll** – Five (5) H's or more, no N's or U's
- **Perfect Attendance** – No absences or tardies (school excuse excluded)

HONORS CLASSES

Students enrolled in honors classes will be expected to have advanced reading, writing, critical thinking and problem-solving skills. Students should have a history of academic excellence and have demonstrated a willingness to work hard and produce quality work.

LATE OPENING - NO SCHOOL

The Davis School District will keep parents up to date on school emergencies and school closures due to weather. Information will be posted on school or district websites as needed. Parents also may get the most up-to-date information from the district's Twitter and Facebook accounts. See the school website for the late start bell schedule.

LOCKERS

During registration, each student will be issued a locker. Lockers are to be maintained in a neat and clean fashion. Any object, photo, or picture displaying alcoholic or tobacco substances, or other inappropriate material shall not be hung in lockers. Students should not leave valuable items, such as money, in their lockers. The school will not be responsible for the theft of items taken from lockers. Combination locks are provided on all lockers. Changing combinations will cost \$5.00. Combinations will be changed only one time at student request. Students should not give the combination to others. Individuals having problems with their locker should report to the office after going to class first and getting a hall pass.

Students have no right or expectation of privacy in school lockers. School lockers are the sole property of the Davis School District and Mueller Park Junior High School. Periodic general inspections of lockers, including the use of drug detecting canines, may be conducted by school authorities for any reason at any time, without notice, without student consent, and without a search warrant.

MEDIA CENTER

The Media Center hours are from 7:45 a.m. to 3:15 p.m. for student and faculty use. During class and lunch hours, students are admitted with a pass from their teachers for reference work, book check-out and check-in, or other specific class-related assignments. Books checked out are the responsibility of the student. Fines will be assessed for late, damaged or lost books.

MEDICATION

District policy does not prohibit students from carrying their own medication to school in instances where the students' maturity level is such that they could reasonably be expected to appropriately administer the medication on their own. In such instances, students may carry one day's dosage of medication on their person. Any misuse of such medication by the student may be subject to disciplinary action under the District's Student Conduct and Discipline Policy.

MYDSD

Student information including grades, attendance, paying fees and lunch account balances can be accessed through <https://muellerparkjr.davis.k12.ut.us>. Click on the myDSD icon and log into the student or guardian account.

NATIONAL JUNIOR HONOR SOCIETY

The purpose of the National Jr. Honor Society (NJHS) is to recognize outstanding students and to nurture their leadership skills, academic pursuits, and commitment to serving others. Students are nominated, and then selected for membership by showing a history of excellence in five areas as outlined by the national organization: scholarship, leadership, service, citizenship, and character (not solely academic performance).

To be eligible for membership consideration, a student must meet the basic criteria of attendance (a minimum of one semester at MPJH), scholarship (a minimum GPA of 3.75), and character (no U's and no more than one N). Potential candidates must then complete a Candidate Form and submit it for review by a Faculty Council. Not all who apply are accepted. Members are expected to maintain the standards by which they were selected and to fully participate in the organization's activities throughout the school year.

PERSONAL BELONGINGS

Personal items that are brought to school should not interfere with the educational process. Such items may be confiscated. The school is not responsible for lost or stolen personal property. Rollerblades, scooters and skateboards may not be used on campus. If a student brings these items to school, they must be put in that student's locker upon arrival. Large amounts of cash and other expensive personal belongings are prime targets for theft. Students shall not bring these or other articles to school that are not used in the educational program.

SPORTSMANSHIP

Mueller Park Junior High School has high expectations for exemplary student behavior at all activities. The following rules will help us maintain a high standard of behavior at athletic events.

- All spectators will remain in the stands and stay off the playing area before, during, and after athletic contests.
- Spectators are prohibited from having noisemakers of any kind such as whistles, cowbells, horns, etc.
- Megaphones and signs are prohibited at athletic events.
- Booing or contesting calls made by referees is not considered to be good sportsmanship and will not be allowed.

TELEPHONE USE

The office telephones are available for student use in cases of sickness or emergency. Student illness/emergency is expected to be handled through the office rather than the use of student phones during class time.

VISITING STUDENTS

We do not allow students from other schools or out of town to attend with a student in our school. Please plan to have out-of-town guests entertained at home.

VISITORS

Visitors are to check into the main office upon entering the building. Only school personnel, parents or legal guardians are permitted to visit with students during school hours. Any exceptions to this policy must be cleared with the administration. High school students are not allowed on campus or in the Mueller Park designated parking areas. Trespassers will be referred to the police.

School lockers, desks or other storage areas are the sole property of the Davis School District and Mueller Park Jr. High School. COMPULSORY EDUCATION REQUIREMENT

A parent or legal guardian having custody over a school-age minor is required under State law to enroll and send a school-age minor to a public or established private school during the school year in the district in which the minor resides. The process of education requires continuity of instruction, class participation and study. Frequent absences from classes disrupt the instructional process. Parents/guardians are encouraged to work with the school in promoting regular attendance of all students.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Student Education Records

The Family Educational Rights and Privacy Act (FERPA) is a Federal law designed to protect the privacy of a student's education records. FERPA gives parents certain rights with respect to their student's education records. These rights are:

Inspect and review all of their student's education records maintained by the school within 45 days of a request for access.

Request that a school correct education records believed to be inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents who wish to ask the school to amend a record should write the principal or appropriate school official, clearly identify the part of the record they want changed and specify why it should be changed. If the school decides not to amend the record as requested by the parent, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

Provide consent before the school discloses personally identifiable information (PPI) from a student's record, except to the extent that FERPA authorizes disclosure without consent. Such exceptions include, but are not limited to:

- [a] school officials with legitimate educational interests;
- [b] other schools to which a student is transferring;
- [c] individuals who have obtained court orders or subpoenas;
- [d] individuals who need to know in cases of health and safety emergencies;
- [e] official in the juvenile justice system;
- [f] a State agency or organization that is legally responsible for the care and protection of the student;
- [g] specified officials for audit or evaluation purposes; or
- [h] organizations conducting studies for or on behalf of the District.

A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving as a volunteer; a person serving on the District School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist), or to whom the District has outsourced institutional services or functions. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Student Directory Information

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, may be released at the discretion of school officials, without consent, for appropriate reasons such as, school publications, newspaper articles, and to outside education related organizations. In addition, two federal laws require secondary schools to provide military recruiters, upon request, the names, addresses and telephone listings of their students.

The Davis School District has designated the following information as directory information:

1) student's name, 2) student's address, 3) student's telephone number, 4) date of birth, 5) parent email address, 6) participation in officially recognized activities and sports, 7) weight and height of members of athletic teams, 8) degrees, honors, and awards received, 9) photograph, 10) most recent educational institution attended by the student.
