

2's Preschool Lunch Bunch Program

Route to: Preschool

Lunch Bunch is available to our 5 Day Twos, Threes and Pre-Kindergarten students from 12:00 noon until the 3:00 carpool, Monday through Friday when school is in session. It is a time for social interaction and growth in a nurturing, supervised setting. The children bring lunch and enjoy arts and crafts, stories, games, a quiet time, and free play. You may register for 1, 2, 3, 4, or 5 days per week. You may add or change days as space permits, but the number of students per day is limited. If you would like your child to stay for an occasional afternoon, or if you have an emergency, you may register on a day-to-day basis as space permits. Just call Cindy Isenhour in the Preschool office and she will let you know if there is room for your child on the day requested. Billing for regular stays takes place in October and February. Billing for occasional stays takes place monthly.
