

Dear Parents of the Class of 2022,

Rowlett High School would like to make senior activities available and affordable for all students. In order to participate in senior activities all students must have a contract on file. Senior contracts are set up so that your student's activities can be paid for in installments. This will help with the cost and so that you will not be out of pocket all at once. You can sign up and pay for the activities you want to participate in, with the option of adding additional items later.

INCLUDED IN THE CONTRACT:

Prom: The biggest and most expensive of all senior activities. This includes- the dance, food and door prizes.

Senior Luncheon: This is a gathering of family and friends to celebrate this special time in your child's life. It is traditional for a student's entire immediate family to attend. This is held on a Saturday or Sunday in May of 2019. This price is the price of the student to attend and it includes lunch, entertainment, presentation of senior video and more. You can include the price of additional tickets on this form.

Senior Video: This is a collection of memories set to music. We will gather baby pictures and current pictures of each senior. We will also ask for any additional pictures you might want to share of your school friends (including elementary, middle and high school years).

Senior Field Trip: This is a Rowlett High School tradition that the senior class has a "fun day" field trip. Past field trips have been to places such as Pin Stack, Six Flags, Scarborough Fair.

Senior Gift: This is a Rowlett High School tradition that the senior class leaves a gift to the school when they graduate. A committee will select the gift. Past gifts have been a brick sign, mosaic emblem, stain glass window for the offices.

You will see a breakdown of the cost of the individual senior activities mentioned above on the next page. The types of activities will be decided on at a later date.
