

## REGISTRATION & FEE INFORMATION FOR 2020 IB EXAMS

IB Students and Parents:

Congratulations on your decision to participate in an International Baccalaureate course of study this year! The IB program offers rigorous college preparatory classes that culminate in exams that will be conducted between May 1-22, 2020.

Students need to register via the CHS website to take their IB exams. The deadline to register for the May 2020 exam session is October 18. If you are trying to decide if you want a particular IB exam or not, here are some additional thoughts to consider:

### Can you earn college credit for this course?

Use this link to see what colleges are offering for credit for your course:
