SCHOOL LUNCH

PREPAY FOR MEALS

Help us meet our goal of 100% online payments! Prepaying for meals on-line at “My School Bucks” or with the “My School Bucks” app, allows you to put funds in your student’s account immediately. It’s faster and easier with helpful low funds reminders features and more. You can set up automatic account funds refill and see your student’s account spending history.

To prepay for meals, please click here <http://myschoolbucks.com> to set up a Meal Payment account with My School Bucks or add funds after August 1.

Free and Reduced Lunch

We encourage our families to review our lunch program information and use our “online” Application for Free and Reduced-Priced meals.

Applications for Free and Reduced-Priced meals forms are completed and submitted on-line.

Call 310-725-2101 x5200 for assistance in filling out the application.

All families who were in the lunch program in Wiseburn last year have a grace period at the beginning of the new school year, but are required to re-apply each new school year even if you are receiving MediCal or CalFresh benefits.

Lunch Applications are available starting August 21st. Click here: <http://wiseburnusd.schoolsunchapp.com> to start filling out the online Free and Reduced meals application.

If your family is receiving MediCal or CAIFresh benefits, please complete the form at this time. We will also verify your eligibility through the various agencies for direct certification. An email and/or U.S postal letter will be sent to notify each family of the results of their application for the year 2019-20.

If your financial situation should change, you can re-apply anytime.

Please be advised that this information is kept completely confidential. A balanced nutritional plan will help your student perform at his/her highest academic levels.

In addition to having free healthy meals every day, the approval for the school lunch program may also qualify your family for discounts. To save you time and effort, the information you gave on your Free and Reduced Price School Meals Application may be shared with other programs (i.e. – High School level AP testing, TLC Daycare, Ed Foundation Summer School, Little League, cell phone companies, etc.) for which your children may qualify. We can provide a copy of your response approval for the lunch program upon request.
