

August 2019

Welcome to 5M,

Although it's hard to wrap up the summer vacation and begin preparing for the new school year, it is very exciting to think about all the great activities that come with being a 5th grader. This year will be packed with enthusiasm and exhilarating learning opportunities. In just a few short weeks, you will be embarking on a journey through the 5th grade. I am excited to get started and am sure that it will be an enjoyable experience for both of us.

Before we get started, I would like you to kick off your 5th grade experience by purchasing a few supplies. If you cannot get these items by the first day of school, don't be worried - I'm sure we can help you out. You will need:

- Two **1 1/2" Binders (please no zippers or soft covers)**
 - The Staples 'better brand' that is reinforced with rubber works best.
- Two packs of **100 sheets of three-hole Punched, Reinforced Loose Leaf Paper.**
- One pack of **Pens (blue/black ink).**
- One Pack of **Red Pens (erasable, if you'd like).**
- One pack of **Mechanical Pencils (extra erasers are helpful).**
- **Replacement Lead** for Mechanical Pencil.
- One **Box of Tissues.**
- Two sets of **Write-on 8-tab dividers.**

I will provide:

- Colored pencils, scissors, pencil case, erasers, glue and a ruler.

Please do not bring in any sharpeners, crayons, toys or doodads with your supplies!

When you arrive at school on the first day, I will be looking for you outside. When you see me, please don't hesitate to come and introduce yourself - it's a great way to start the year.

To help me out, please ask your parents to send me an email mortong@lmsd.org with their contact information in the message.

One last request - Before the first day, I would like you to think of the best moment (a short moment, like a trip down the slide or the first taste of a delicious ice cream cone) of your summer. Enjoy the rest of your break.

See you soon,

Mr. Morton
