Series Number 501.5.5.1P Adopted January 2004 Revised June 2014

Title Notification of Immunization Law Requirements for Incoming
Early Childhood Students

Date: _____

Dear parent/guardian of an early childhood student,

A. Minnesota law requires ONE of the following in order to attend school:

- A month-day-year record of required immunizations, signed and submitted by parents;
- A signed statement from a physician or clinic stating the child has had at least one dose of each vaccine and is in the process of completing the series, or
- A notarized statement of conscientious objection or a physician's signature stating medical exemption to vaccination.

B. To help insure the health of all children, state law requires that a child birth to five years of age (pre-kindergarten) must have the following immunizations in order to enroll or remain enrolled in school:

- | | |
|---------|------------------------------|
| • DTaP | • Varicella |
| • Polio | • Pneumococcal (2-24 months) |
| • MMR | • Hepatitis A |
| • Hib | • Hepatitis B |

The vaccine dose requirement will be dependent on the age of the child at the time of their enrollment in the class. Refer to the Early Childhood Immunization Form for specific guidelines.

C. If you meet any one of the following Minnesota Vaccines for Children (MnVFC) eligibility criteria, you may call Dakota County Public Health (952-891-7999) to receive low-cost vaccinations (There may be no charge for the vaccine for children meeting the criteria listed below):

- You are uninsured;
- You are enrolled in Minnesota Medical Assistance (MA), Minnesota Care (MnCare) or Prepaid Medical Assistance Program (PMAP);
- You are an American Indian or Alaskan Native, or
- You have health insurance that does not cover the cost of the vaccine.

D. Submit proof of compliance with the state immunization law to the school nurse prior to the first day of class for your child. Call the school nurse if you have any questions regarding immunizations for your child.

Early Childhood Immunization Form

Must be on file **before** a child attends any early childhood programs*

Name _____
 Birthdate _____
 Date of Enrollment _____

Minnesota law requires children enrolled in early education programs to be immunized against certain diseases or file a legal medical or conscientious exemption.

Parent/Guardian:

You may attach a copy of the child's immunization history to this form OR enter the MONTH, DAY, and YEAR for all vaccines your child received. Enter MED to indicate vaccines that are medically contraindicated including a history of disease, or laboratory evidence of immunity and CO for vaccines that are contrary to parent or guardian's conscientiously held beliefs.

Sign or obtain appropriate signatures on reverse. Complete section 1A or 1B to certify immunization status and section 2A to document medical exemptions (including a history of varicella disease) and 2B to document a conscientious exemption.

Additionally, if a parent or guardian would like to give permission to the early education program to share their child's immunization record with Minnesota's immunization information system, they may sign section 3 (optional).

For updated copies of your child's immunization history, talk to your doctor or call the Minnesota Immunization Information Connection (MIIC) at 651-201-5503 or 800-657-3970.

*Early childhood programs are defined as programs that provide instructional or other services to support children's learning and development and:

- Serve children from birth to kindergarten.
- Meet at least once a week for at least six weeks or more during the year.

This includes but not limited to early childhood family education (ECFE), early childhood special education (ECSE), school readiness programs, and other public and private preschool and pre-kindergarten programs.

2. Exemptions to Immunization Law. Complete A and/or B to indicate type of exemption.

<p>A. Medical exemption: No child is required to receive an immunization if they have a medical contraindication, history of disease, or laboratory evidence of immunity. For a child to receive a medical exemption, a physician, nurse practitioner, or physician assistant must sign this statement: I certify the immunization(s) listed below are contraindicated for medical reasons, laboratory evidence of immunity, or that adequate immunity exists due to a history of disease that was laboratory confirmed (for varicella disease see * below). List exempted immunization(s):</p> <p>_____ Signature of physician/nurse practitioner/physician assistant</p> <p>_____ Date</p> <p><small>*History of varicella disease only. In the case of varicella disease, it was medically diagnosed or adequately described to me by the parent to indicate past varicella infection in _____ (year)</small></p> <p>_____ Signature of physician/nurse practitioner/physician assistant (If disease occurred before September 2010, a parent can sign.)</p>	<p>B. Conscientious exemption: No child is required to have an immunization that is contrary to the conscientiously held beliefs of his/her parent or guardian. However, not following vaccine recommendations may endanger the health or life of the child or others they come in contact with. In a disease outbreak, children who are not vaccinated may be excluded in order to protect them and others. To receive an exemption to vaccination, a parent or legal guardian must complete and sign the following statement and have it notarized: I certify by notarization that it is contrary to my conscientiously held beliefs for my child to receive the following vaccine(s):</p> <p>_____ Signature of parent or legal guardian</p> <p>_____ Date</p> <p>Subscribed and sworn to before me this: _____ day of _____ 20____</p> <p>_____ Signature of notary (A copy of the notarized statement will be forwarded to the commissioner of health.)</p>

3. Parental/Guardian Consent to Share Immunization Information (optional):

Your child's early childhood program is asking your permission to share your child's immunization documentation with MIIC, Minnesota's immunization information system, to help better protect children from disease and allow easier access for you to retrieve your child's immunization record. You are not required to sign this consent; it is voluntary. In addition, all the information you provide is legally classified as private data and can only be released to those legally authorized to receive it under Minnesota law.

I agree to allow early childhood program personnel to share my child's immunization documentation with Minnesota's immunization information system:
