MONROE SCHOOL DISTRICT

Medication Self-Carry Agreement

Student Name: _____ Birthdate: _____

Grade/Teacher _____

Monroe Public schools Medication Policy allows students to carry and self-administer medication if the following criteria are met:

- Students must be 12 years old.
- A one day supply of medication
- Medication is in the original container
  - Prescription- labels must specify the name of student, name of medication, dosage, route and frequency or time of administration
  - Non-prescription- medication must have the student's name written on the original container.
  - Check to see it is current or unexpired
- A request form signed and dated by the parent indicating name of medication, dosage, date(s), and times(s) taken. Prescription medication must also have a physician's permission to self-carry and signature.
- Violations of any conditions placed on the student carrying and self administering medication may result in termination of that permission.
- Permission and forms are good for current school year only.
- A student under 12 years of age may be allowed to carry emergency medication if authorized by physician, parent, school nurse and principal.
