**Board Policy
Milford Public Schools
Milford, CT**

Professional Standards for Food Service Personnel

The Milford Board of Education (Board) recognizes that students require adequate, nourishing food and beverages in order to grow, learn and maintain good health. Therefore the Board provides a food service program for school breakfasts; school lunches that meet the dietary specifications in accordance with the Healthy Hunger-Free Kids Act of 2010 and applicable state laws and regulations.

This service shall be under the supervision of the Director of Food Services who shall be responsible to the Chief Operations Officer. The Director of Food Services shall be hired under specific job specifications.

The District shall comply with the minimum professional standards for school nutrition personnel who manage and operate the National School Lunch and School Breakfast Programs which are contained in the regulations to the Healthy, Hunger-Free Kids Act of 2010 (HHFKA), Public Law 111-296. These regulations, effective July 1, 2015, as amended, effective April 30, 2019, establish hiring standards for the selection of State and local school nutrition program directors, and requires all personnel in the school nutrition programs to complete annual continuing education/training.

The Board believes that the fulfillment of these professional standards for food service personnel will result in consistent, national professional standards that strengthen the ability of school nutrition professionals and staff to perform their duties effectively and efficiently. Requiring proper qualifications to serve in the District's Child Nutrition Programs is expected to improve the quality of school meals, reduce errors, and enhance Program integrity.
