**Subject: Districtwide Support of Energy Efficiency**

**P3580**

**Board Policy  
Milford Public Schools  
Milford, CT**

The Milford Board of Education (Board) embraces energy conservation and supports all efforts that are directed toward conserving energy and natural resources while exercising sound financial management throughout the school district.

Implementation of a districtwide conservation policy will be the joint responsibility of the Board, administration, faculty, staff, students, and support personnel. Success is based on the cooperation of all groups.

In order to achieve a maximum level of energy efficiency, the district shall adhere to the preventive maintenance and monitoring plan administered for its facilities and systems, including HVAC, building envelope, and moisture management.

The Board directs the Superintendent and his/her agents to develop and implement short and long range strategies to maximize energy conservation.
