

PTO Direct Donation Program

In order to continue providing materials and services that the PTO provides to our students, we are asking for direct contributions to be made to the school from each family. We are asking for **all** families, who are able, to be generous, and to contribute. Our donation request is for \$50 per child attending UE. This is just a suggested amount. More, of course, is welcome, and no amount is too little. Our reason for asking for direct donations this year is in response to parent requests to not sell a variety of items throughout the school year, and frequently asking, "Can't I just write a check?." So, yes, you can! 100% of your donation will go to our school, which is also in response to parental input. Also, please be sure to ask your employers if they have a "match" program. This is a great way to effortlessly raise more funds for our children's education.

Again in 2018/19 year the PTO was able to approve supplies for our new Stem room, a creative space for not just learning but also creating. This was possible because of the direct donation along with many other items needed for the students.

Please fill out the Direct Donation Request Form that is included in this packet, and return it to school with your tax deductible donation. If we do not meet our goal, we will plan additional fundraisers throughout the year. We have also included a list of ways you can get involved in PTO related activities. Check off any that are of interest to you, and return these forms to the school's main office, attention UEPTO, by September 1st.

We thank you in advance for helping us in our fundraising efforts, and we are looking forward to the exciting school year ahead.
