

Successful Student Policy

At Davis Connect, we believe all students can be successful learners. Our online program allows the student and parent to be more involved in the path, pace and place of their learning. There is a misconception that online learning is easier than learning in a traditional classroom. The truth is, online learning requires more commitment, parental time, intrinsic motivation and perseverance than traditional learning environments. Online learning isn't for all learners. Davis Connect is an OPTIONAL program, continued enrollment is based on student success and parent support. Please carefully read the following commitments, policies and procedures.

Student Commitment:

1. I will complete work on time. I will make a schedule for each day and stick to it.
2. I will communicate with my teachers through my Canvas inbox. I will ask questions and for assistance when needed. My teacher is only an e-mail, phone call, or web chat away and would love to help me.
3. I will read all the information, including the assignment instructions and lesson content completely.
4. I will get involved. I will join the daily web chats, come to the monthly activities when possible, and get to know my online classmates.
5. I will create a learning environment. My home is my classroom. I will remove distractions, organize my learning space, and find a spot that works for me.
6. I will track my progress. I will use the tools in the online system to monitor my learning. I will read the feedback and suggestions given by my teacher.
7. I will be motivated to fix my mistakes, increase my knowledge and improve my grade.
8. I will have a goal to maintain an 85% grade average in all online courses. If any course grade drops below 75%, I will receive a drop warning. I understand that any time a course grade percentage drops below 60% I will be placed on probation. I will be given ten school days to complete enough course work to bring my percentage up to a score of 65%. If I have not met these requirements by the end of the probation period, I will be unenrolled from the online program.

Please sign if you have read the policies and procedures and understand that enrollment in Davis Connect K-6 is based on successfully adhering to the commitments, policies and procedures as stated.
