### FOR MORE THAN 30 YEARS

the National Art Honor Society (NAHS) and National Junior Art Honor Society (NJAHs) have provided national recognition and opportunities for students who exhibit outstanding scholarship in the visual arts, and for their teachers. Connect your students and yourself to this legacy when you establish or renew an NAHS/NJAHs chapter at your school!

- **YOUR SCHOOL** benefits by gaining national recognition.
- **YOUR STUDENTS** benefit through opportunities for scholarships and connectivity to the 54,000+ NAHS students across the nation.

I am inviting everyone to join the National Junior Art Honor Society. In order to join you must have earned a total of 10 points by Friday October 18th and pay the \$25 membership dues. The membership dues cover the cost of national dues, NJAHs Pin, & Certificate you will receive at Induction.

The NJAHs is a national organization that gives students an opportunity to further expose themselves to other art making processes that are not covered in the classroom and extends their knowledge and enjoyment of art out into the community.

You may earn points by attending various activities & events.

- 2 Points - For attending monthly art club activities or for entering an art contest outside of class (ie Collage Savings of Mississippi, Scholastic PSA to Help Prevent Drowsy Driving, etc).
- 3 Points - For attending or volunteering at an art museum, craft festival or any cultural events such as plays or festivals.

If you would like to be a member, I need your completed points log & membership dues of \$25 by Friday October 18th. Induction will be held in November.
