(4 year olds)
12:55pm-3:25pm

Staff includes:

- ◆ **Certified Special Education Preschool Teachers**
- ◆ **Paraprofessionals**
- ◆ **Related Service personnel**

PROGRAM MISSION

The Integrated Preschool provides classrooms comprised of both special needs children and typical peers.

The integrated learning environment offers opportunities for both populations of children to grow academically, socially, emotionally and physically.

Typical peers serve as models for the special needs students, developmentally appropriate skills in the areas of speech & language, pre-academics and social interaction.

STONINGTON PUBLIC SCHOOLS

INTEGRATED PRESCHOOL

LOCATIONS:

WEST VINE STREET SCHOOL

Preschool programs are available for children ages 3-5 years old.

The Morning Class is 4 half day sessions; the Afternoon Class is 5 half day sessions. A modest tuition is charged twice a year based on the number of days that a child attends.

The language based curriculum includes developmentally appropriate experiences in all areas of child development:

- *Cognitive
 - *Personal & Social
 - *Creative Expression
 - *Physical

Typical Peer

Selection Process

All children must attend PAD screening in order to be considered for the typical peer program. Parents will receive screening results by mail. The Preschool Team will indicate the child's eligibility for the typical peer program.

Children who demonstrate all of the necessary developmental skills and learning behaviors will be eligible for typical peer selection. The selection process will occur in May for the following school year. Entry typically occurs in the fall of each school year.

The number of typical peers will be determined by the number of students with special needs in each classroom and may change throughout the year or from year to year. Therefore, typical peer candidates who are not selected may be put on a waiting list for a spot in the future.

For more information or questions about the Typical Peer Selection Process, contact the

Special Services : (860) 572-0506 x4.
