Administration Update:

The gym accommodates 990 people

Cafeteria has new furniture and looks amazing. The old furniture accommodated 330 students. The new tables seat 356 at a time. And we have 3 lunch periods.

Bus 82 was over crowded and now has been reworked. Every student always has a seat.

Daily announcement technology has been reworked. It seems to be working. There is now an email with a link to the daily announcements.

The cafeteria is now serving 7" personal pizzas. They seem to be a hit. Tuesday's are personal pizza day.

There is a new canopy on the back of the school at the drop off and pick up spot. The school is also working on trying to get a canopy on where the buses pick up and drop off.

Enrollment:

Capacity is 950-1,000

This year there are **411** 9th graders and **407** 8th graders for a total of 818.

Parent to parent breakfast is the Friday after Labor Day. It will be the digital citizenship team presenting. If you have ideas for topics for presentations please email Ms. McGinely or Ms. Kizer.

The Jr. High just updated its emergency plan. There will be drills throughout the year. Fire drills (2 within the 1st 30 days.) 4 public safety announcements a year. 1 armed intruder drill a year. Required to CPR and AED drills with the staff. 1 earthquake, 1 tornado and 1 hard lock down drill a year.
