HIPAA PRIVACY AUTHORIZATION FOR
RELEASE OF MEDICAL/EDUCATIONAL INFORMATION FOR STUDENTS

This authorization shall become effective immediately and shall remain in effect for **one year from the date of signature** unless a different date is specified here: _____ (date) or medical provider has changed

I understand that the District Authorized Representative shall have full authority to request and receive information in regards to my child as stated above and within the effective timeline. I understand that I have the right to revoke this authorization, in writing, at any time by sending such written notification to the school district representative requesting the information. Written revocation will be effective upon receipt, but will not apply to information that has already been released in response to this authorization.

I understand that health information used or disclosed pertaining to this authorization may be subject to re-disclosure by the receiving agency and that the information requested may no longer be protected by federal laws and regulations regarding the privacy of protected health information. I further understand the confidentiality of the information when released to a public educational agency is protected as a student record under the Family Educational Rights and Privacy Act (FERPA).

I understand that authorizing the disclosure of health information is voluntary. I can refuse to sign this authorization. I do not need to sign this form in order to assure medical treatment, except under specific circumstance in the case of the request for physician orders, in accordance with Education Code Section 49423.5 to provide specialized physical health care services and/or care to students with health conditions (for example: asthma, diabetes, epi-pen, gastrostomy feeding, medications, etc.) during school hours.

I consent to the release of the information indicated above and acknowledge that I have received a copy of this release; **A copy of this authorization is considered valid**
