A new school year comes with much excitement and sometimes a bit of nervousness. To help prepare emotionally for the start of the year, work as a family to set up your school day routine. Be sure your routine includes laying out clothes, making lunches, packing bags, reading as a family, and a place for homework. Younger children may also benefit from having a good-bye routine. There are many great back-to-school books to read as a family, so be sure to visit your local library or bookstore.

We are looking forward to seeing you on the first day of school. Enjoy the rest of summer!

Sincerely,

Mrs. Heather Nicholson
Elementary School Principal
