## ATTENDANCE

Daily attendance at school is absolutely vital to ensure your child's academic success. Should your child have an illness that prevents him/her from coming to school, **we ask that you notify the office prior to 8:30 am.** Please leave a message at 733-6500 any time of day as soon as you know about the absence.

In order to ensure the safety of your child, if a student is reported absent by his/her teacher and a parent has not notified the office, the following procedure will be followed:

1. Contact teachers to make sure that they didn't receive any emails about the absence (please copy office if you email a teacher regarding an absence, as a substitute may be in the classroom and your email may not be received).
2. Contact parents.
3. Review possible building locations that a student may have been taken to for support services before checking in at their classroom.
4. Review pre-arranged absences that are on file.
5. Call ALL emergency contacts.
6. Contact transportation for a bus search.
7. Conduct a building sweep.
8. Contact the School Resource Officer to go to the home.

Students must be in attendance at school by 11:30 am to be eligible for extracurricular activities that day or by 11:30 am on Friday to be eligible for Saturday participation. Exceptions to this would be pre-arranged absences or school-related functions.

## STUDENT TARDINESS

Students who have not reported to their classroom by 8:10 am are considered tardy and **must report to the office along with their parent.**

DO NOT drop off your child at the door. Your child must be escorted by a parent or guardian into school. A student who enters the classroom after the tardy bell at 8:10 am must submit a tardy slip to their teacher. The slip is obtained by checking in at the office. Habitual tardiness has a negative impact on the beginning of the day for your child as well as his/her classmates. Every effort should be made to assist children in reporting to their classroom on time.

## **CAFETERIA**

### **School Meals and Cafeteria Policies - Elementary**

Carmel Clay Schools use a computerized method of collecting funds, tracking meals, and ala carte items in the school cafeteria. Student meal transactions are recorded using their student identification number or school photo.

The USDA school lunch and breakfast program is offered to all students. School lunches consist of an entrée, 1-2 servings of vegetables, 1 serving of fruit, and an 8oz milk. Limited ala carte items are also available for an additional cost. Parents are highly encouraged to create an EZSchoolPay account to deposit funds into their child's meal account ([www.EZSchoolPay.com](http://www.EZSchoolPay.com)), however checks made payable to Carmel Clay Food Services and cash are also permitted. If paying by check, please include your child's name on the memo line of the check. The cost of lunch is \$2.45, breakfast is \$1.35, milk sold individually is \$0.60, and a visitor lunch is \$3.40. If they do not have money in their meal account, students are permitted to charge a minimum of three days (breakfast and lunch courtesy meals). After three meals are charged, Carmel Clay Schools will reach out to the household regarding the negative balance. It is a parent's responsibility to see that their child has a lunch brought from home or money in their account.

Students may also bring a packed meal from home to be eaten in the cafeteria. The cafeteria is supervised by school staff and rules are expected to be followed. When finished eating, students are asked to carry their trays to the dishroom, discarding all food, paper and milk cartons and placing the recyclable plastic items and beverage cans in the proper containers for recycling.

If you have any questions concerning your child's meal account (setting limits, restrictions, allergies), please contact the school's cafeteria manager. You can also review transaction history in your child's EZSchoolPay account.

Please refer to the district food service website for prepayment information, menus, allergy information, and to obtain the link to the online free and reduced-price meal application. <http://www1.ccs.k12.in.us/district/food-services>

## FOOD

### Food Items Brought In to School

Please do not bring food or treats for other students. Due to food allergies, food and treats are not permitted to be shared with other students. When food items are provided by the school, items must be store bought with ingredients listed.

### Celebration Deliveries

Celebration deliveries disrupt the educational process and are not allowed. These include flowers, balloons, treats, etc. These items will not be delivered to your child's classrooms.

Birthday parties and treats are not permitted. Please **do not send invitations for home birthday parties or other parties to school**. A suggestion for a special treat for your child's birthday is the "Birthday Book" program run from the school media center.

## CARPOOL PROCEDURES

Although the staff of West Clay encourages all families to take advantage of our bus transportation for the safety of our students, please adhere to the following directions if you drop off and/or pick up students. Remember, school starts at 8:03 am and we ask that no student is dropped off before 8:00 am. If students are dropped off before that time, they are not supervised and parents will be called to either pick up their student or come to school to supervise them until the bell rings.

The following guidelines should be followed:

- Please have your child prepared to exit the vehicle **quickly** to help speed the unloading process. Please have your child exit the vehicle only on the **sidewalk side** of the car for safety.
- Students should begin to exit their cars at 8:00. Please **DO NOT** drop your children off earlier.
- The first car in line should pull up north of the main entrance. This will allow room for others behind you. After unloading children, please follow the car in front of you and **stay in line** as you drive around the parking lot to exit. Pay attention to allow the right-of-way for incoming busses as you exit. Others in line should then pull up to allow for others just arriving.
- **DO NOT PULL OUT OF LINE TO GO AROUND OTHER CARS**. We want to make sure that all children are safe and there are no accidents in the parking lot. Only one line of traffic should be entering and leaving the parking lot, paying

special attention to bus traffic. Please be observant and yield to people walking in the parking lot. We may have some visitors walking in the parking lot and we care about their safety, too.

- Once out of the car, students will wait in the unheated vestibule until 8:03. When the bell sounds at 8:03, students may walk to their rooms.
- Please make sure your child is here on time each day. If you arrive **after 8:10** you will need to park in the parking lot, escort your child to the office, and sign your child in for the day. Please minimize late arrivals as every minute of classroom time is important.
- In the afternoon we will dismiss after the final bell at 2:35. Again, the first person to arrive should pull up to the sign and orange cones. Please pull forward and make **one single row**. This is a no idling zone. Please turn off your car and wait until you see your child. Once loaded, do not proceed forward until directed to do so by a staff member. Please **remain in the line** until you reach the exit. **Only one line of moving traffic will keep our students and visitors safe.** Please be patient as we continue this process for the safety of our students.
- If you need to enter the building with your child, please park in the parking lot.

**AT NO TIME SHOULD CARS BE PARKED ALONG THE FRONT DRIVE OF THE SCHOOL.** This is a safety hazard for students and guests as well as a fire safety issue.

## DELIVERY OF FORGOTTEN ITEMS

If a student forgets an item and a parent or guardian brings it into the office, a secretary will notify the teacher via email that the item has been delivered. The teacher will decide when it is convenient for the item to be retrieved so that instructional time is not interrupted. There is no guarantee that the teacher will have time during his/her busy day to see the email. At the end of the day, all forgotten items not picked up will be placed in the teacher's mailbox. Library books will be placed in the Media Center mailbox for check in. Prescription glasses and large projects that are too heavy to be carried on the bus will be delivered to the classroom as time permits.

## DISMISSAL PROCEDURES

### Changes in Dismissal

In order to ensure the safety of all children, all dismissal changes must be made online via the new School Dismissal Manager by 1:30 PM.

1. Log on to your School Dismissal Manager account via your phone or computer or via the "Submit a Daily Dismissal Change" App or desktop version.
2. Enter all information requested. Double check the date entered before going to the next step.
3. All entries must be made prior to 1:30PM the day of the dismissal change or it will not be accepted.
6. In the case of a **TRUE** emergency, you may call the office at 733-6500.

### Procedures for Dismissal

- Classes dismiss at 2:35 pm
- Buses will arrive in the northeast parking lot. Bus students will be walked out to their bus. Students going home carpool will be dismissed to a meeting spot where they will be checked in and escorted out to their parents waiting in carpool. Students going to ESE will be walked down to the gym for check in.
- School buses leave at 2:40 pm
- Extra-curricular activities begin after dismissal.

### Release of Students During the School Day

Students must be released from the school office. For the protection of all students, we require that parents check their student out in the office if they need to pick them up during the school day. Students will only be released to custodial parents, guardians, or persons listed as an emergency contact. The office must be notified if any other

person will be picking up a student. Anyone picking up a student may be required to present a driver's license or other picture identification. Please allow sufficient time for your student to pack up their belongings after they are called from their classroom. We will not call students from their class before an adult arrives in the office. Students will be called from their class when the adult is in the office ready to pick them up. For students who are returning to school during the school day, parents must accompany them into the school office.

## **EMERGENCY CANCELLATION OF SCHOOL**

In case of severe weather, students and families will be notified of a school delay or closing through the School Messenger phone system. All contact information in the student database should be up to date at all times to ensure that families receive important school messages.

### **2 Hour Delays**

Students will report at 10:03 am rather than 8:03 am. Buses will run exactly 2 hours later than normal. It is the responsibility of the parent to ensure their child is not dropped off when school is not in session. When there is a delay, the before school program will operate on their normal schedule, with drop off beginning at 7:00 am. If students not in the ESE before care program are dropped off prior to 10:00 am, parents will be contacted to pick up their student or chaperone them until the proper drop off time.

### **School Cancellation**

In the case of a school cancellation, BOTH school and ESE will be closed.

### **Early Dismissal**

In the event of the necessity to dismiss early, please be certain your family has a plan for early dismissal. This situation should be discussed with your children at the beginning of the school year and repeated periodically. An Emergency Early Dismissal form must be on file with the classroom teacher. The only options available for an early dismissal are: go home on the bus, go home on the bus with another student, or go to carpool and a parent will pick up the student.

## **FIELD STUDY TRIPS**

Field study trips must be of an educational nature to be included in the elementary program. Parents who go with a class on a trip as a chaperone must have a complete Criminal History check and Anti-Bullying video viewing on file and are expected to pay any admission fees required. Each field trip will require a permission slip signed by a parent. If a permission slip is not returned, the child will not participate in the field trip.

## **HOMEWORK POLICY**

Should your student miss school due to illness, homework can be provided after they have missed two days. Students will be given the same amount of days to make up their homework as missed. To request homework, please notify your classroom teacher before school starts, and arrange to pick up the homework at the end of the school day. No homework or classwork will be provided in advance for any reason.

## **FORGOTTEN HOMEWORK/ITEMS AFTER SCHOOL**

After school, before 3:00PM, there is no guarantee that students will be allowed to retrieve forgotten homework or other items. Many times teachers have conferences or meetings in their classrooms that cannot be interrupted at the end of the day. The office staff is also unable to leave the front office unattended. After 3:00PM, there is no access allowed back to the classrooms.

## **LOST AND FOUND**

The school cannot assume responsibility for your losses. However, if you do lose an item, a lost and found cabinet can be found in our cafeteria. Any item that has been lost is placed in the cabinet and students or parents are welcome to try to find their lost item. At intervals during the year, unclaimed items will be on display in the lobby. After they have been on display for a week, the leftover items will be donated to a local charity.

## **MEDICAL/HEALTH INFORMATION**

### **Immunizations**

Indiana law requires that students in all grades meet the minimum immunization requirements. The immunization record must include the student's name and date of birth, the vaccine given and date (month, day, year) of each immunization. For specific guidelines, please refer to the Immunization Requirements section found at: [http://www1.ccs.k12.in.us/district/uploads/File/Immunizations\\_11.26.12.pdf](http://www1.ccs.k12.in.us/district/uploads/File/Immunizations_11.26.12.pdf)

### **Injuries/Illness**

Injuries should be taken care of before the child is allowed to return to school. If a child becomes sick or injured during the school day, parents will be notified immediately. It then becomes the parent's responsibility to pick up the child as soon as possible.

***A child with a contagious illness or fever should not be sent to school.***

Any student whose temperature is above 100° F will be sent home from school.

However, a student may also be sent home when his/her temperature is below 100° F

should other symptoms warrant it. Any student with a fever should be kept home until the student has been fever free for 24 hours without medication (temperature below 100°)

Students may return to school:

- Strep infections: After antibiotics and temperature below 100°F for 24 hours
- Pink eye: After prescribed medication for 24 hours and improved condition
- Skin Lesions: It is mandatory that any student that has an open wound keep it covered during the school day and during athletic events
- Ringworm: Only if the lesion is covered and verification of anti-fungal treatment is given
- Scabies: The next day after treatment
- Vomiting and /or diarrhea: will be handled on a case by case basis after consultation with the school nurse.

### **Medication Policy**

When it is necessary for your child to take medication at school, the following guidelines are in effect for your child's protection:

1. Transportation and Storage of Medication: All medication, both prescription and non-prescription, must be transported to and from the school nurse's office by a parent or guardian. Students are not permitted to have any medication or drug in their possession.
2. Original Container: All medication, prescription or non-prescription, must be in its original container. A prescription medication will already have the pharmacy label with the name of the student, name of the medication, and the time when the medication is to be administered. Please write your child's name on a non-prescription container.
3. School Permission to give Medication: All medication, prescription and over the counter, must have a written doctor's statement or current prescription (label on container) indicating that the medication is to be taken during school hours. Physician orders may be faxed to the school. The school will also need a signature from the parents or guardians giving their permission for the school to give the medication. If it becomes necessary to give a student medication that is not kept at school, a parent or legal guardian may come to the school and administer the medication.
4. Benadryl and Analgesics: In case of a bee or wasp sting, Benadryl will be given according to weight guidelines if a parent's consent is on file. Also, the school nurse will administer analgesics (generic Tylenol or Advil) if a parent consent is on file. Parents will be notified when analgesics are given.

5. If Medication is to be terminated: The parent should notify the school by phone or provide written and dated withdrawal of consent.
6. Student possession and self-administration: This is permitted for emergency medication for acute or chronic medical conditions. An annual written authorization must be received from both the parent and physician stating the nature of the disease and that the student has been instructed in how to self-administer the medication.

### **Head Lice**

Parents have prime responsibility of assisting in the prevention and management of head lice cases through regular checks of their child's hair and starting immediate treatment when head lice are detected. While head lice are a nuisance, they do not spread disease and are not a health issue. Should a case of head lice be brought to the school's attention, the school nurse will maintain confidentiality at school, verify presence of an active infestation and bring it to the child's parents' attention. Parents, students and school staff will be educated about head lice identification, treatment and prevention. If at all possible, students should not be excluded from school for having head lice, as the management of head lice should not disrupt the educational process of the child. The need to exclude students from school will be determined on a case by case basis. This policy is supported by the American Academy of Pediatrics, the National Association of School Nurses, and the Hamilton County Health Department.

## **SPEECH AND HEARING SCREENING**

Indiana State law mandates hearing testing for all children in Kindergarten, 1st, 4th, 7th, and 10th grades; new students; special education students; and any children with known losses. A communication screening will be conducted for these students, as well as those students identified in previous years as having maturational sounds in error.

## **MENINGOCOCCAL DISEASE**

Indiana law requires each year that parents/guardians be informed "about meningococcal disease and its vaccine" (IC 20-30-5-18). Meningococcal disease is a dangerous disease that can strike children and youth. The disease can progress rapidly and within hours of the first symptoms, may result in death or permanent disability including loss of hearing, brain damage, and limb amputations. Symptoms of meningococcal disease often resemble the flu and can include a fever, headache, nausea, and stiff neck, making the disease difficult to diagnose. The bacteria that causes meningococcal diseases are transmitted through air droplets and by direct contact with an infected person. Fortunately, there is an immunization available and the U.S. Centers for Disease Control and Prevention recommends routine meningococcal immunizations at

11 to 12 years old. For teenagers, immunization is recommended at high school entry and incoming college freshman. Please talk with your child's health care provider about meningococcal disease and vaccination.

## **PESTICIDES**

Carmel Clay Schools is committed to providing a safe environment. While pesticides protect children from pests that may be found in the school and its surrounding grounds, under some circumstances they may pose a hazard to children. Therefore, pest control practices may involve a variety of chemical and non-chemical methods that are designed to control pests effectively while minimizing potential pesticide exposure. For information regarding pest control, please contact the main office, and the name and phone number of a specific contact person will be provided. Carmel Clay Schools will provide notice of planned pesticide applications to parents who have requested advanced notice during the student registration process. Unless an emergency is declared, Carmel Clay Schools will give notice at least forty eight (48) hours prior to the date and time the pesticide application is to occur. The notice will include the date and time of the pesticide application, the general area where the pesticide is to be applied and the telephone number to contact for more information. In case of emergency pesticide applications, because of immediate threat to the public health, the school shall give written notice as soon as possible.

## **PERSONAL ELECTRONIC DEVICES AND CELL PHONES**

Personal electronic devices, including but not limited to cell phones, IPODS, IPADS, radios, MP3 players, headphones, CD players, Gameboys, DVD players, electronic books and laptop computers are not to be used during the school day and are to be kept in the student's backpack (8:05-2:35) unless staff approval has been given. This includes lunch and recess. Students in violation may be subject to disciplinary action.

## **PTO**

A Parent-Teacher Organization is an active part of our school. Parents are encouraged to be active participants. This is your school as well as the student's school. We need and hope for your participation. PTO sponsors the school carnival, Donuts with Dad, Muffins with Mom, Family Fun Night, School Book Fair and other important events. The PTO plays an important part in involving families and enriching the education experience with support for teachers, paying for field trips, sponsoring the 5th grade musical and other important events.

## **PRE-ARRANGED ABSENCE NOTIFICATION**

Please plan your trips and vacations with the school calendar in mind. It is very important that your child be in school all 182 days, unless he/she is ill. While these absences are excused, be aware that they will accumulate towards the seven day count at which point you will be asked to attend a meeting with your school personnel as per CCS attendance policies. All pre-arranged absences must be submitted using the West Clay "Pre-arranged Absence Notification" form. Please ask your teacher for a form and submit it no later than 48 hours before the absence will occur. **PLEASE NOTE: Homework will not be distributed until after the student returns from the absence.**

## **REPORT CARDS AND GRADING SYSTEM**

Assessment of student achievement is one of the most important functions of the teacher. The Carmel Clay Schools elementary grading system is as follows:

A—90-100

D—60-69

B—80-89

F—Below 60

C—70-79

NG—No grade given

Report cards can be accessed every nine weeks throughout the school year via myCCS for students in grades 3-5. First and second grade students receive standard based report cards every nine weeks. Kindergarten students receive standard based report cards at the end of each semester. Webgrades is available on your myCCS account for students in grades 3-5. Parents are expected to review their student's performance with their child. If a conference is needed, parents are to contact the teacher and arrange for a conference time. Your comments are always appreciated.

## **SMOKE-FREE & DRUG-FREE ENVIRONMENT**

The Carmel Clay School Board has designated all school buildings and campuses as smoke free and drug free environments. This policy applies at all hours of every day.

## **SUPPORT PROGRAMS**

In addition to the diversified programs of the regular classroom, our schools offer a variety of support programs. Among these are programs that address:

- Resource programs including: learning disabilities, emotional disabilities, and other health impairment, and students with Autism Spectrum Disorder
- Speech and hearing difficulties
- Functional Academics Program
- Occupational and physical therapy needs
- School psychologist

- Challenge programs for academically gifted children
- Intervention for students needing assistance

- ENL (English as a New Language) services

If you or your child has a need for a support program, please call the principal, assistant principal, student services coordinator, or classroom teacher for more information.

## TELEPHONE POLICY

Students are permitted to use school phones when necessary. A student using the phone must have permission from his or her teacher. No calls should be made to ask if one student can go home with another student. These arrangements should be made at home before coming to school. No parent phone calls will be transferred to students during the school day. Please email the teacher and they will have the child call at an appropriate time.

## TEXTBOOK RENTAL

The Carmel Clay School Corporation establishes the cost of book rental and related instructional materials and supplies based on the types and quantities of material and supplies used. The textbooks and related materials and supplies are made available through the school to all students at a cost determined by the guidelines provided by the Indiana Department of Education. Payment of textbook rental can be made when the fees become available in late September by check made out to Carmel Clay Book Rental or online with a credit card by going to your myccs page and clicking on the Textbook Rental widget.

## TRANSPORTATION

### Bus Conduct

The bus conduct and safety rules are designed to promote safety on the bus at all times. The safety of all students is our top priority. Therefore, each student is expected to cooperate fully by always obeying the rules. The authority of the bus driver will be recognized and supported by all for everyone's safety. The noise level on the bus must be low so the driver can communicate with students, and be able to hear traffic sounds such as sirens. Students must quickly respond to the directions of the bus driver. **Riding the school bus is a privilege.** Therefore, it is very important for parents to review the bus rules with their children. Respectful, quiet, appropriate behavior is expected at all times. Rude, disrespectful, and/or dangerous behavior by

any child may result in a suspension of transportation privileges. It then becomes the responsibility of the parent to provide transportation to and from school.

Buses are not to be used to transport additional students for after school social activities. Students must ride their assigned bus unless parents have made the appropriate "Daily Transportation Change" before 1:00 pm.

All changes in bus arrangements and all problems and concerns about routes/bus stops/drivers should be brought to the attention of the Carmel Clay Transportation through the "Transportation Service Form" located on myCCS.

## **VISITORS**

Parents are welcome to visit providing the visit does not impede the educational process. To schedule a classroom visit, please contact your child's teacher. We request that parents contact the teacher to arrange for any non-family visitor to the school or classroom to observe your child at least 24 hours prior to the visit/observation. Observations by outside agencies are limited to a one time visit, unless approved by building administration.

All individuals visiting West Clay Elementary school must enter through the right side doors of the main entrance. All visitors must be "buzzed" into the building by ringing the buzzer located on the right wall inside the vestibule. Once in the building, individuals must report to the main office to identify themselves with a driver's license or state ID card, check into the building utilizing the School Gate Guardian system and obtain a visitor's badge that should be worn while in the building. At the end of each visit, the badge must be scanned into the system in the office to verify the time the visitor is leaving. Any visitor in the building without a visitor's badge will be redirected to the office. These procedures are in place to ensure the safety of all students, and your cooperation is greatly appreciated.

There are times when visits are not encouraged (during testing, special programs, etc.). Furthermore, uninterrupted instructional time in the classrooms is always a high priority. Visits by relatives, particularly young children, are discouraged except on special occasions and must be cleared through the office. Prior to your visit, please make the appropriate arrangements with your child's teacher. Parents and visitors are not allowed to attend recess with students during the day. *Please limit your stay to one hour or less per classroom visit.*

## SCHOOL GATE GUARDIAN

All Carmel Clay Schools utilize a visitor check in system to provide the best possible security for our students and staff. All visitors are required to have their driver's licenses or state identification cards scanned in order to enter the school. This increased level of security will allow the school to better track visitors and help increase the safety and security of our students and staff. As you enter the school, you will be required to check in with a valid ID and will be issued a badge to wear. When you leave the school, please return the badge to the office. As always, safety is a top priority at Carmel Clay Schools. Thank you for your continued support as we continuously work to improve the safety of our school.

## VOLUNTEERS

Adults are needed as school volunteers to help with the library program, assist classroom teachers with instructional materials, lunch room, office, and clinic duties. We are very proud of our volunteer organization and encourage your participation. **Full background checks AND review of an anti-bullying video are required by Carmel Clay Schools for any individual working or volunteering in the school.** Background checks are obtained by going to your myCCS account and filling out the necessary paperwork. The cost is \$17.95 and the background check is valid for 5 years. Please allow approximately two weeks for completion of your background check. The anti-bullying video can also be accessed via your myCCS account

- Intentional violations of copyright law.
- Intentionally seeking information on, obtaining copies of, or modifying files, other data or passwords belonging to other users.
- Misrepresenting other users.
- Disrupting the operation of technology through abuse of hardware or software, including the intentional introduction of software viruses.

There are no asbestos containing materials present in your school. The AHERA Management Plan is available for review during regular business hours in the school office and in the office of the Facilities and Transportation Department.
